AMERICA THE BEAUTIFUL

O Beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America!
God shed His grace on thee
And crown thy good with brotherhood
From sea to shining sea!

O beautiful for pilgrim feet,
Whose stern, impassioned stress
A thoroughfare for freedom beat
Across the wilderness!
America! America!
God mend thine every flaw,
Confirm thy soul in self-control,
Thy liberty in law!

O beautiful for heroes proved
In liberating strife,
Who more than self their country loved,
And mercy more than life!
America! America!
May God thy gold refine,
Till all success be nobleness
And every gain divine!

O beautiful for patriot dream
That sees beyond the years
Thine alabaster cities gleam
Undimmed by human tears!
America! America!
God shed His grace on thee,
And crown thy good with brotherhood
From sea to shining sea!

The historic development of our nation, as emphasized in the theme of the 1960 Crosses, has, in a sense, a parallel in the life of each of us.

As our nation has developed and grown strong, so has the American ideal of free public education for all.

We of Las Cruces High School are now in the "foremost file of time" and represent the ultimate strides that education has made.

As our country's history is the history of each of us, so is this book the history of a year of our lives.

In the spirit of preserving that year, we dedicate this book to the students of Las Cruces High School, 1960.

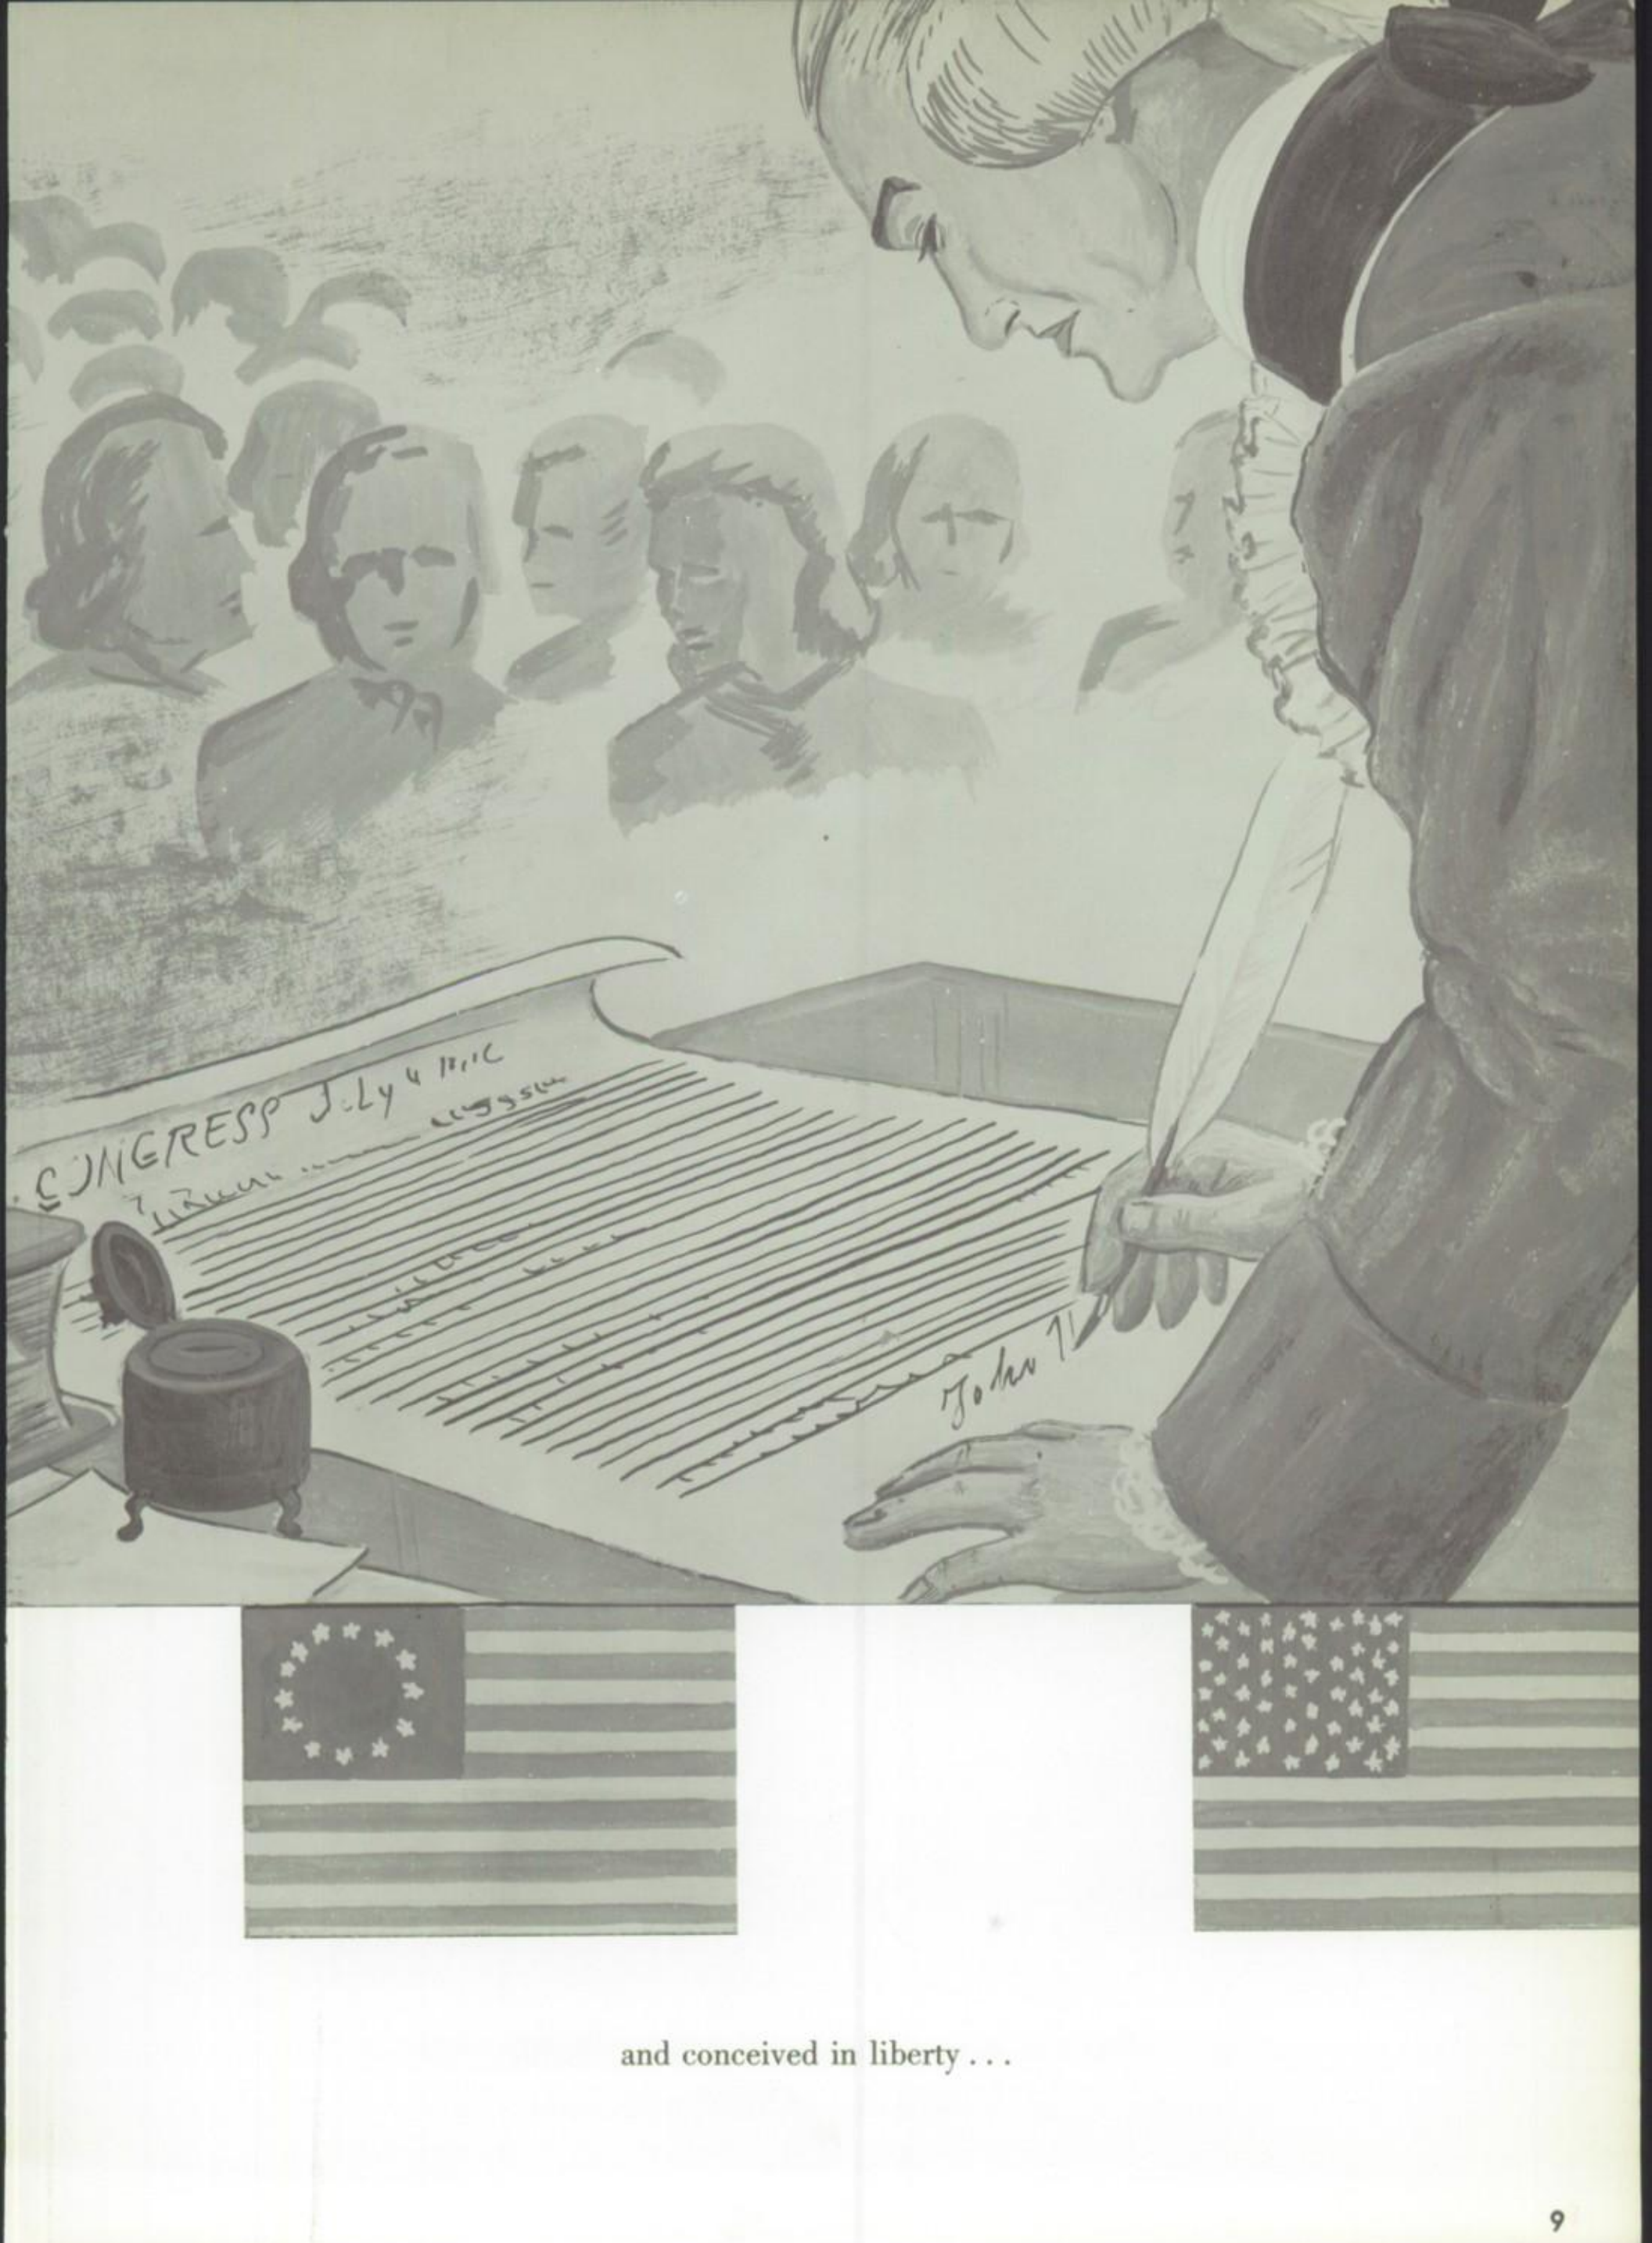
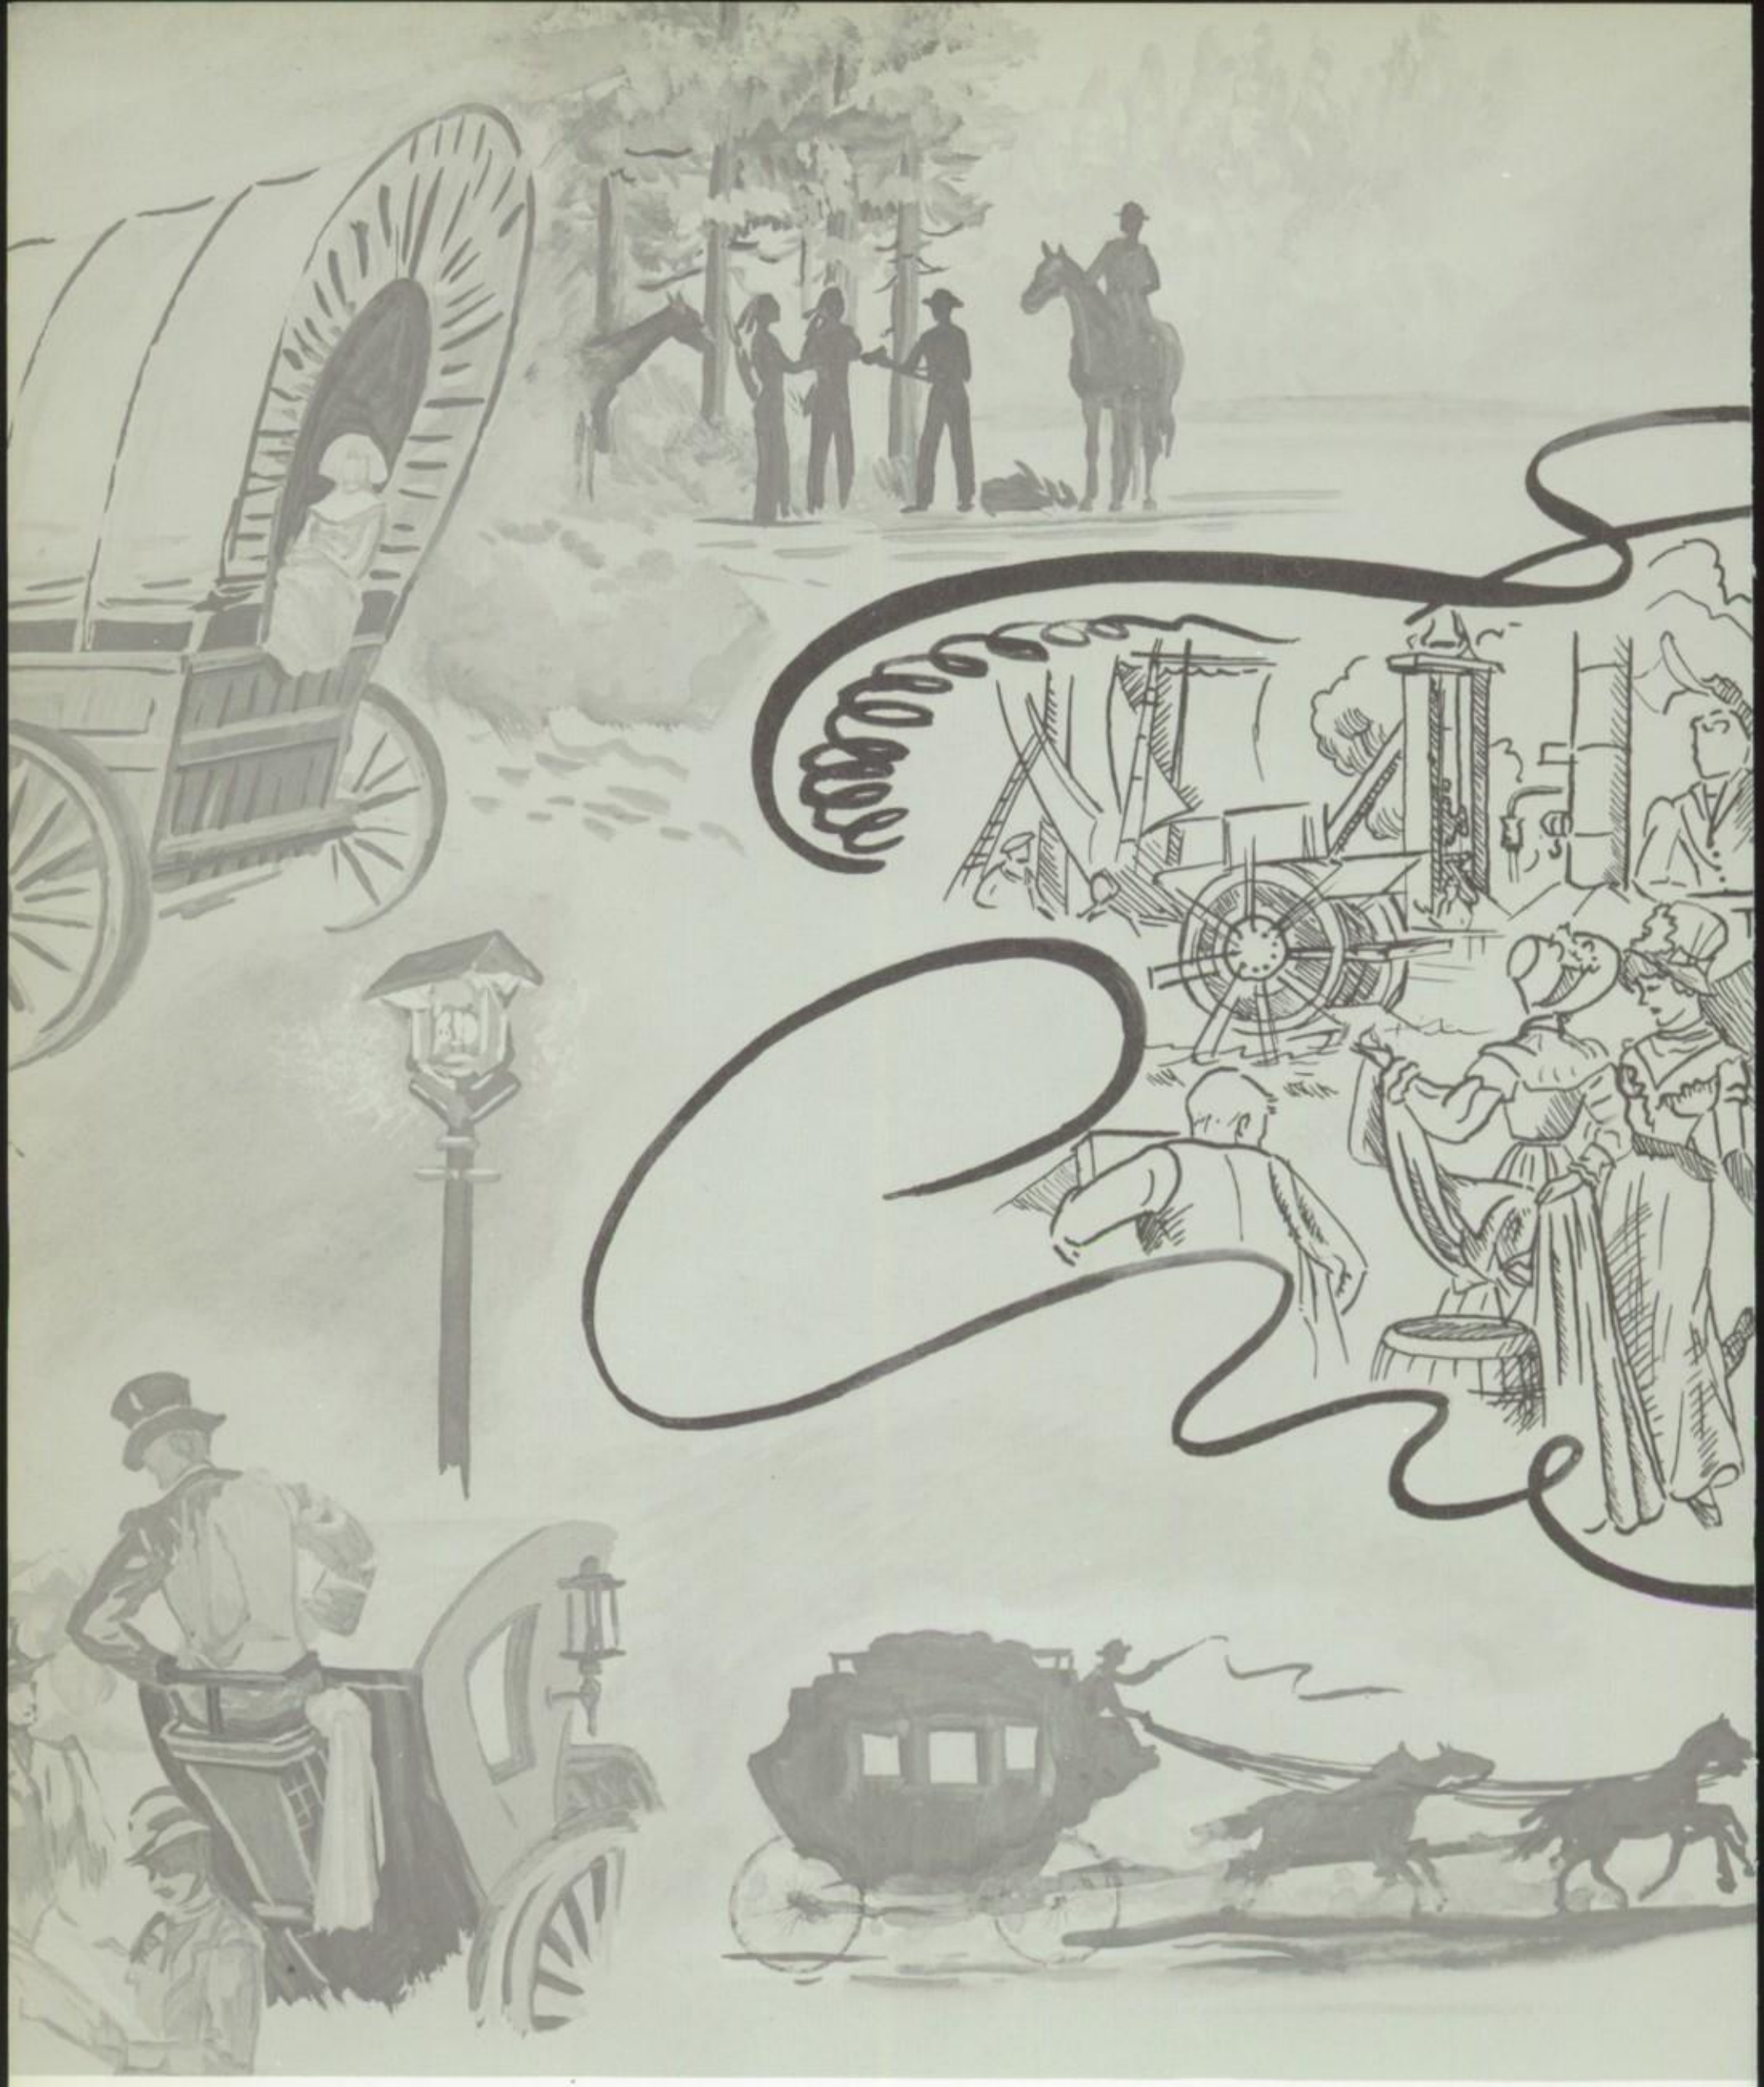
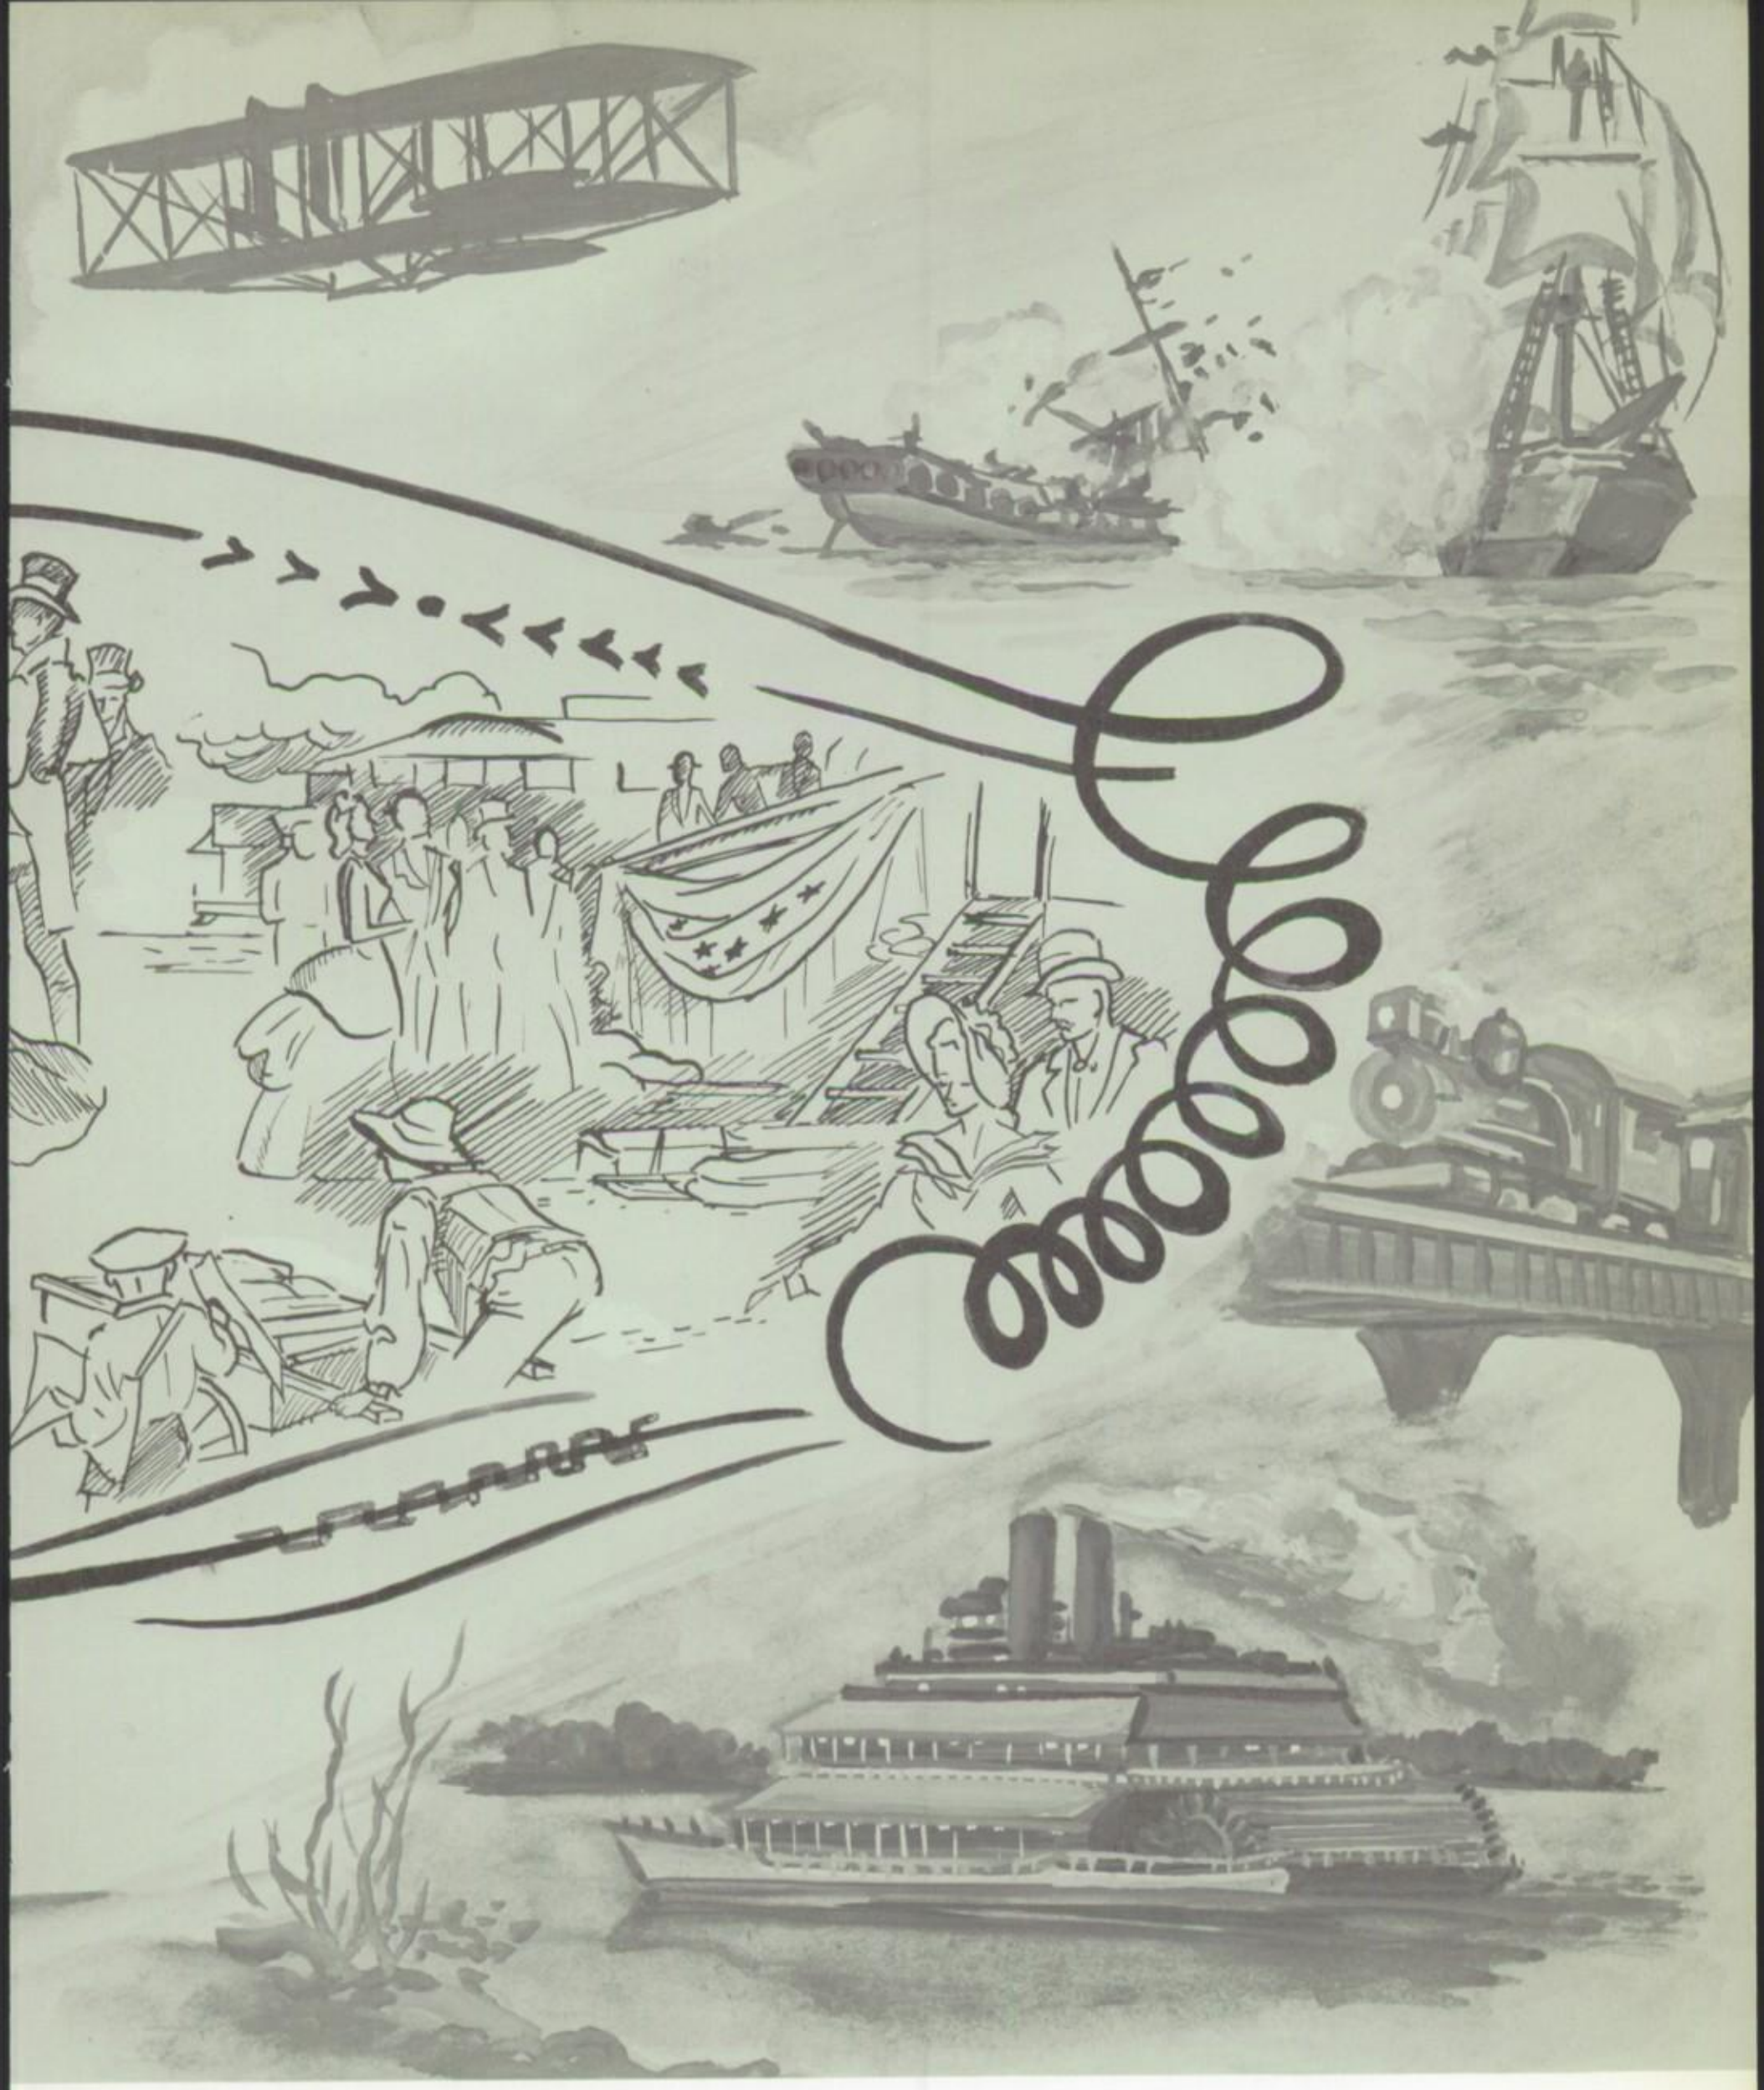
These United States of America, born in battle



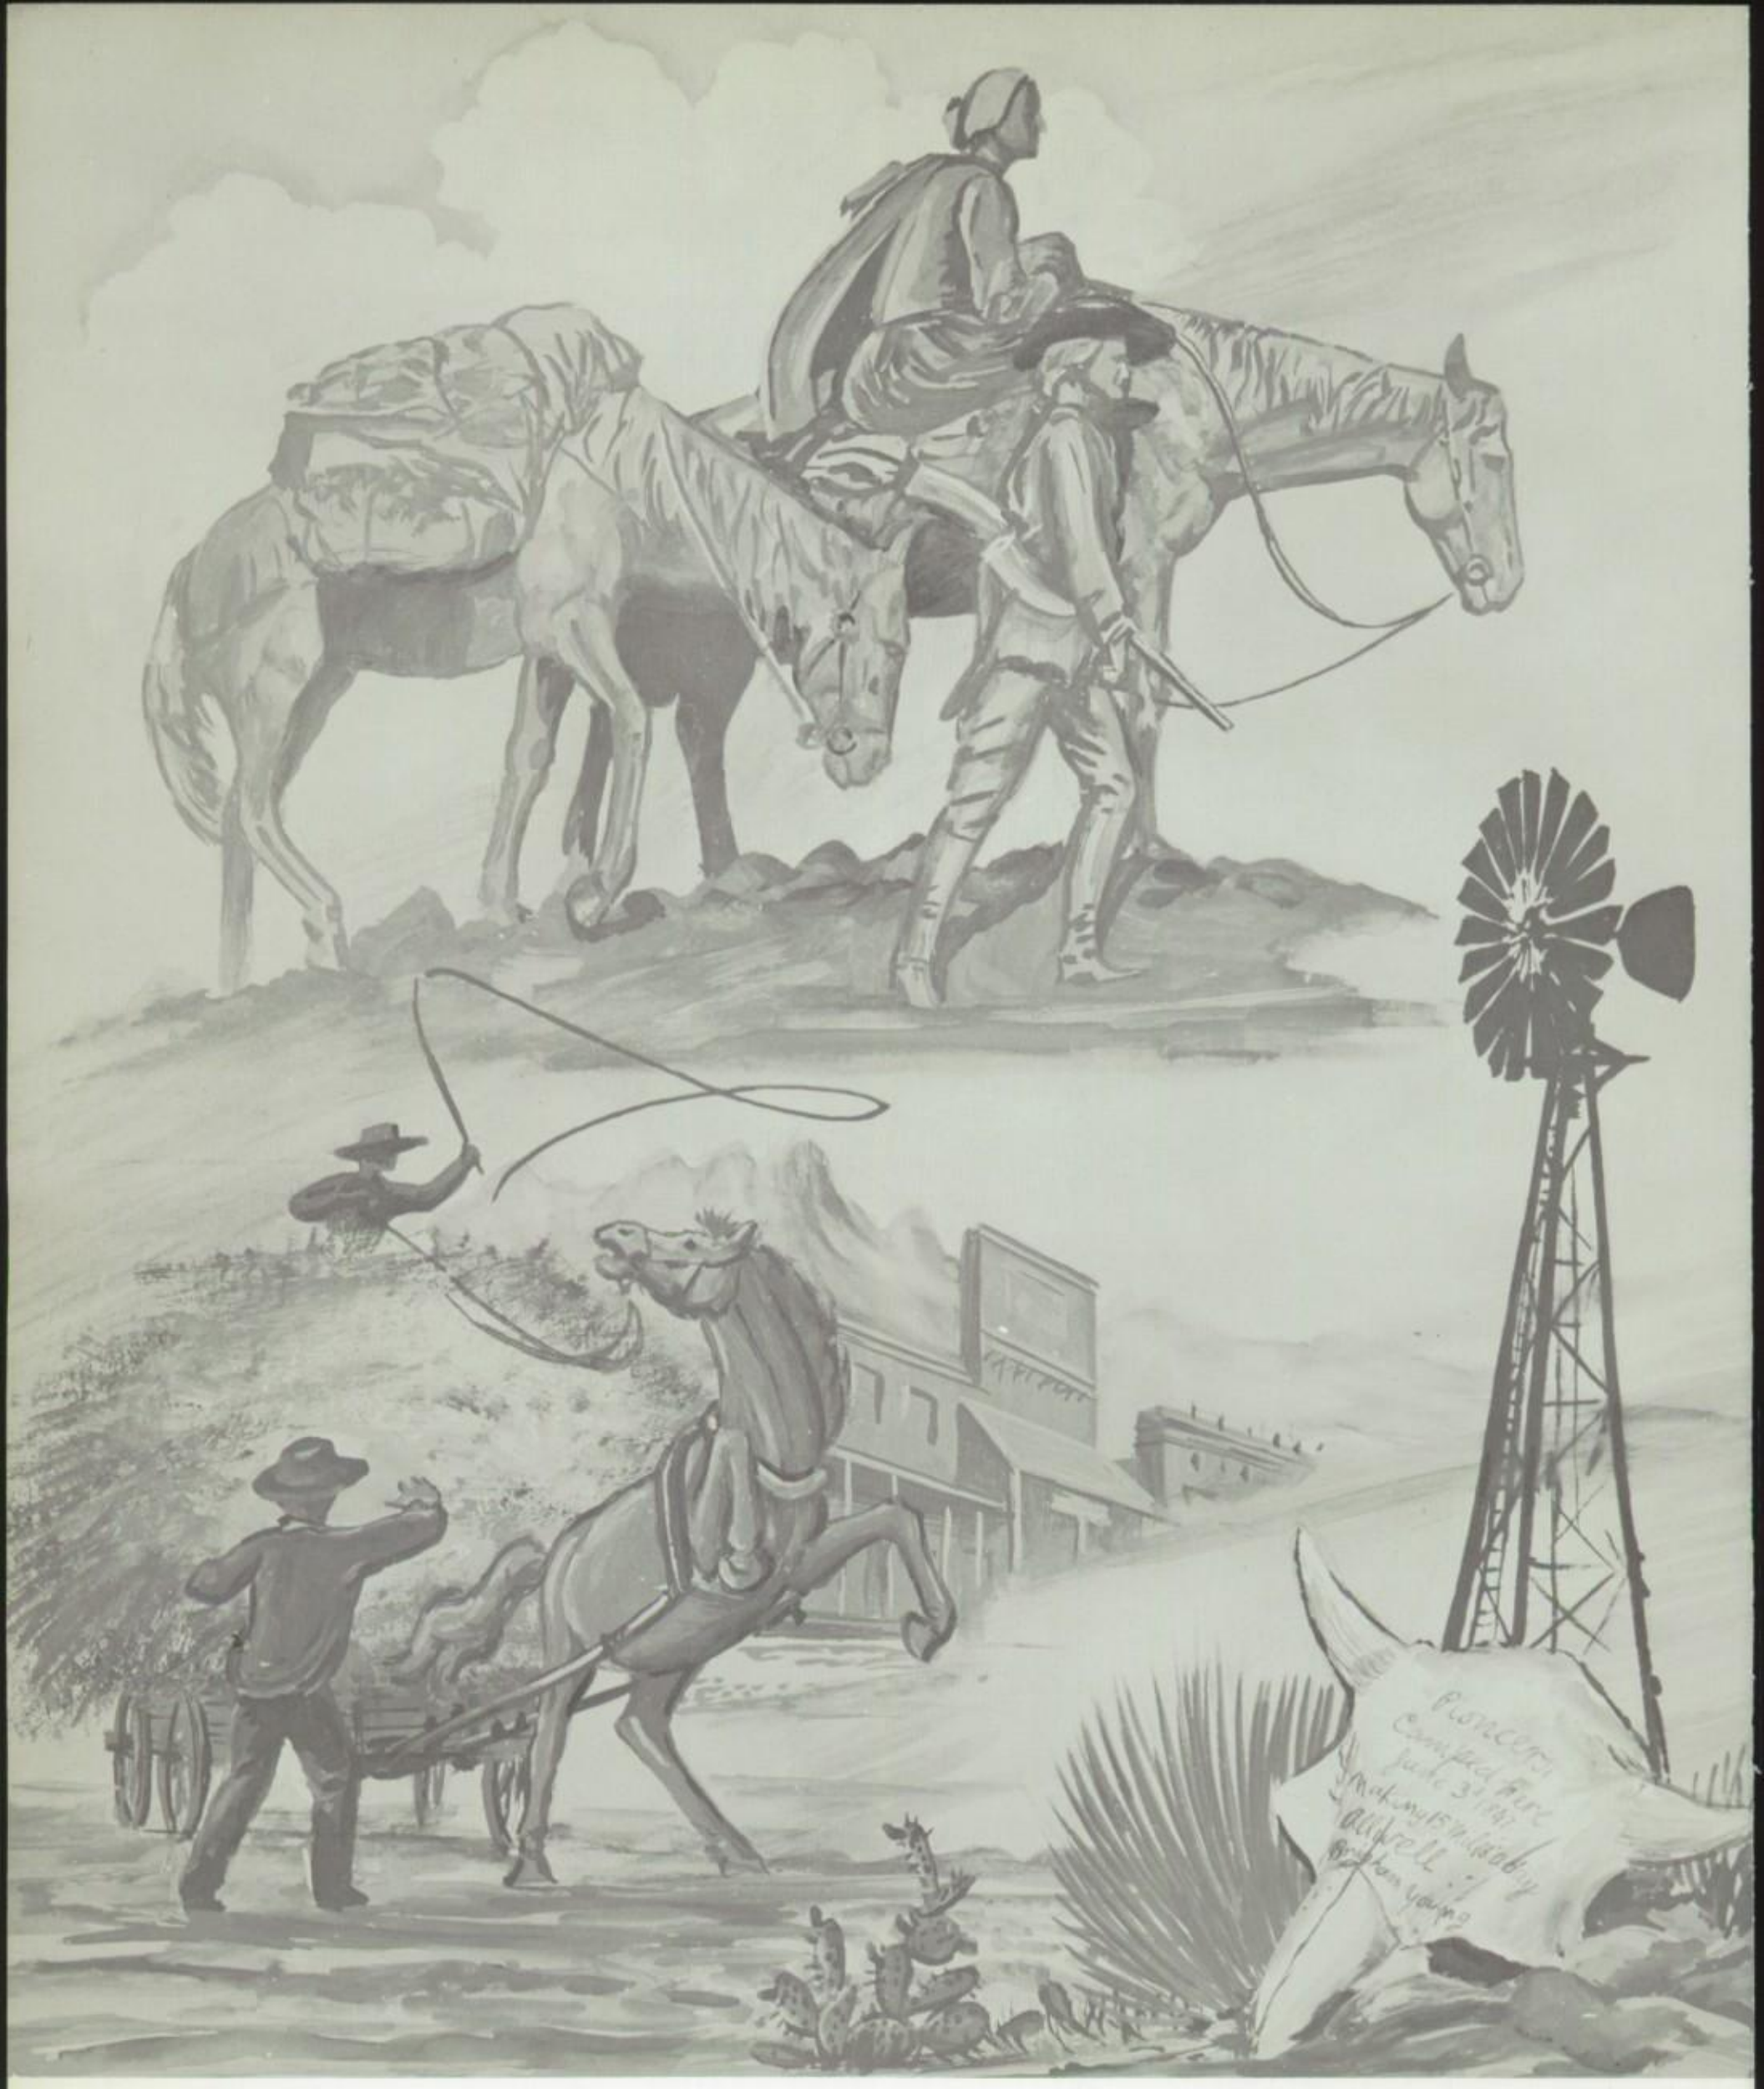
and conceived in liberty . . .



with a humble beginning in a new found world . . .

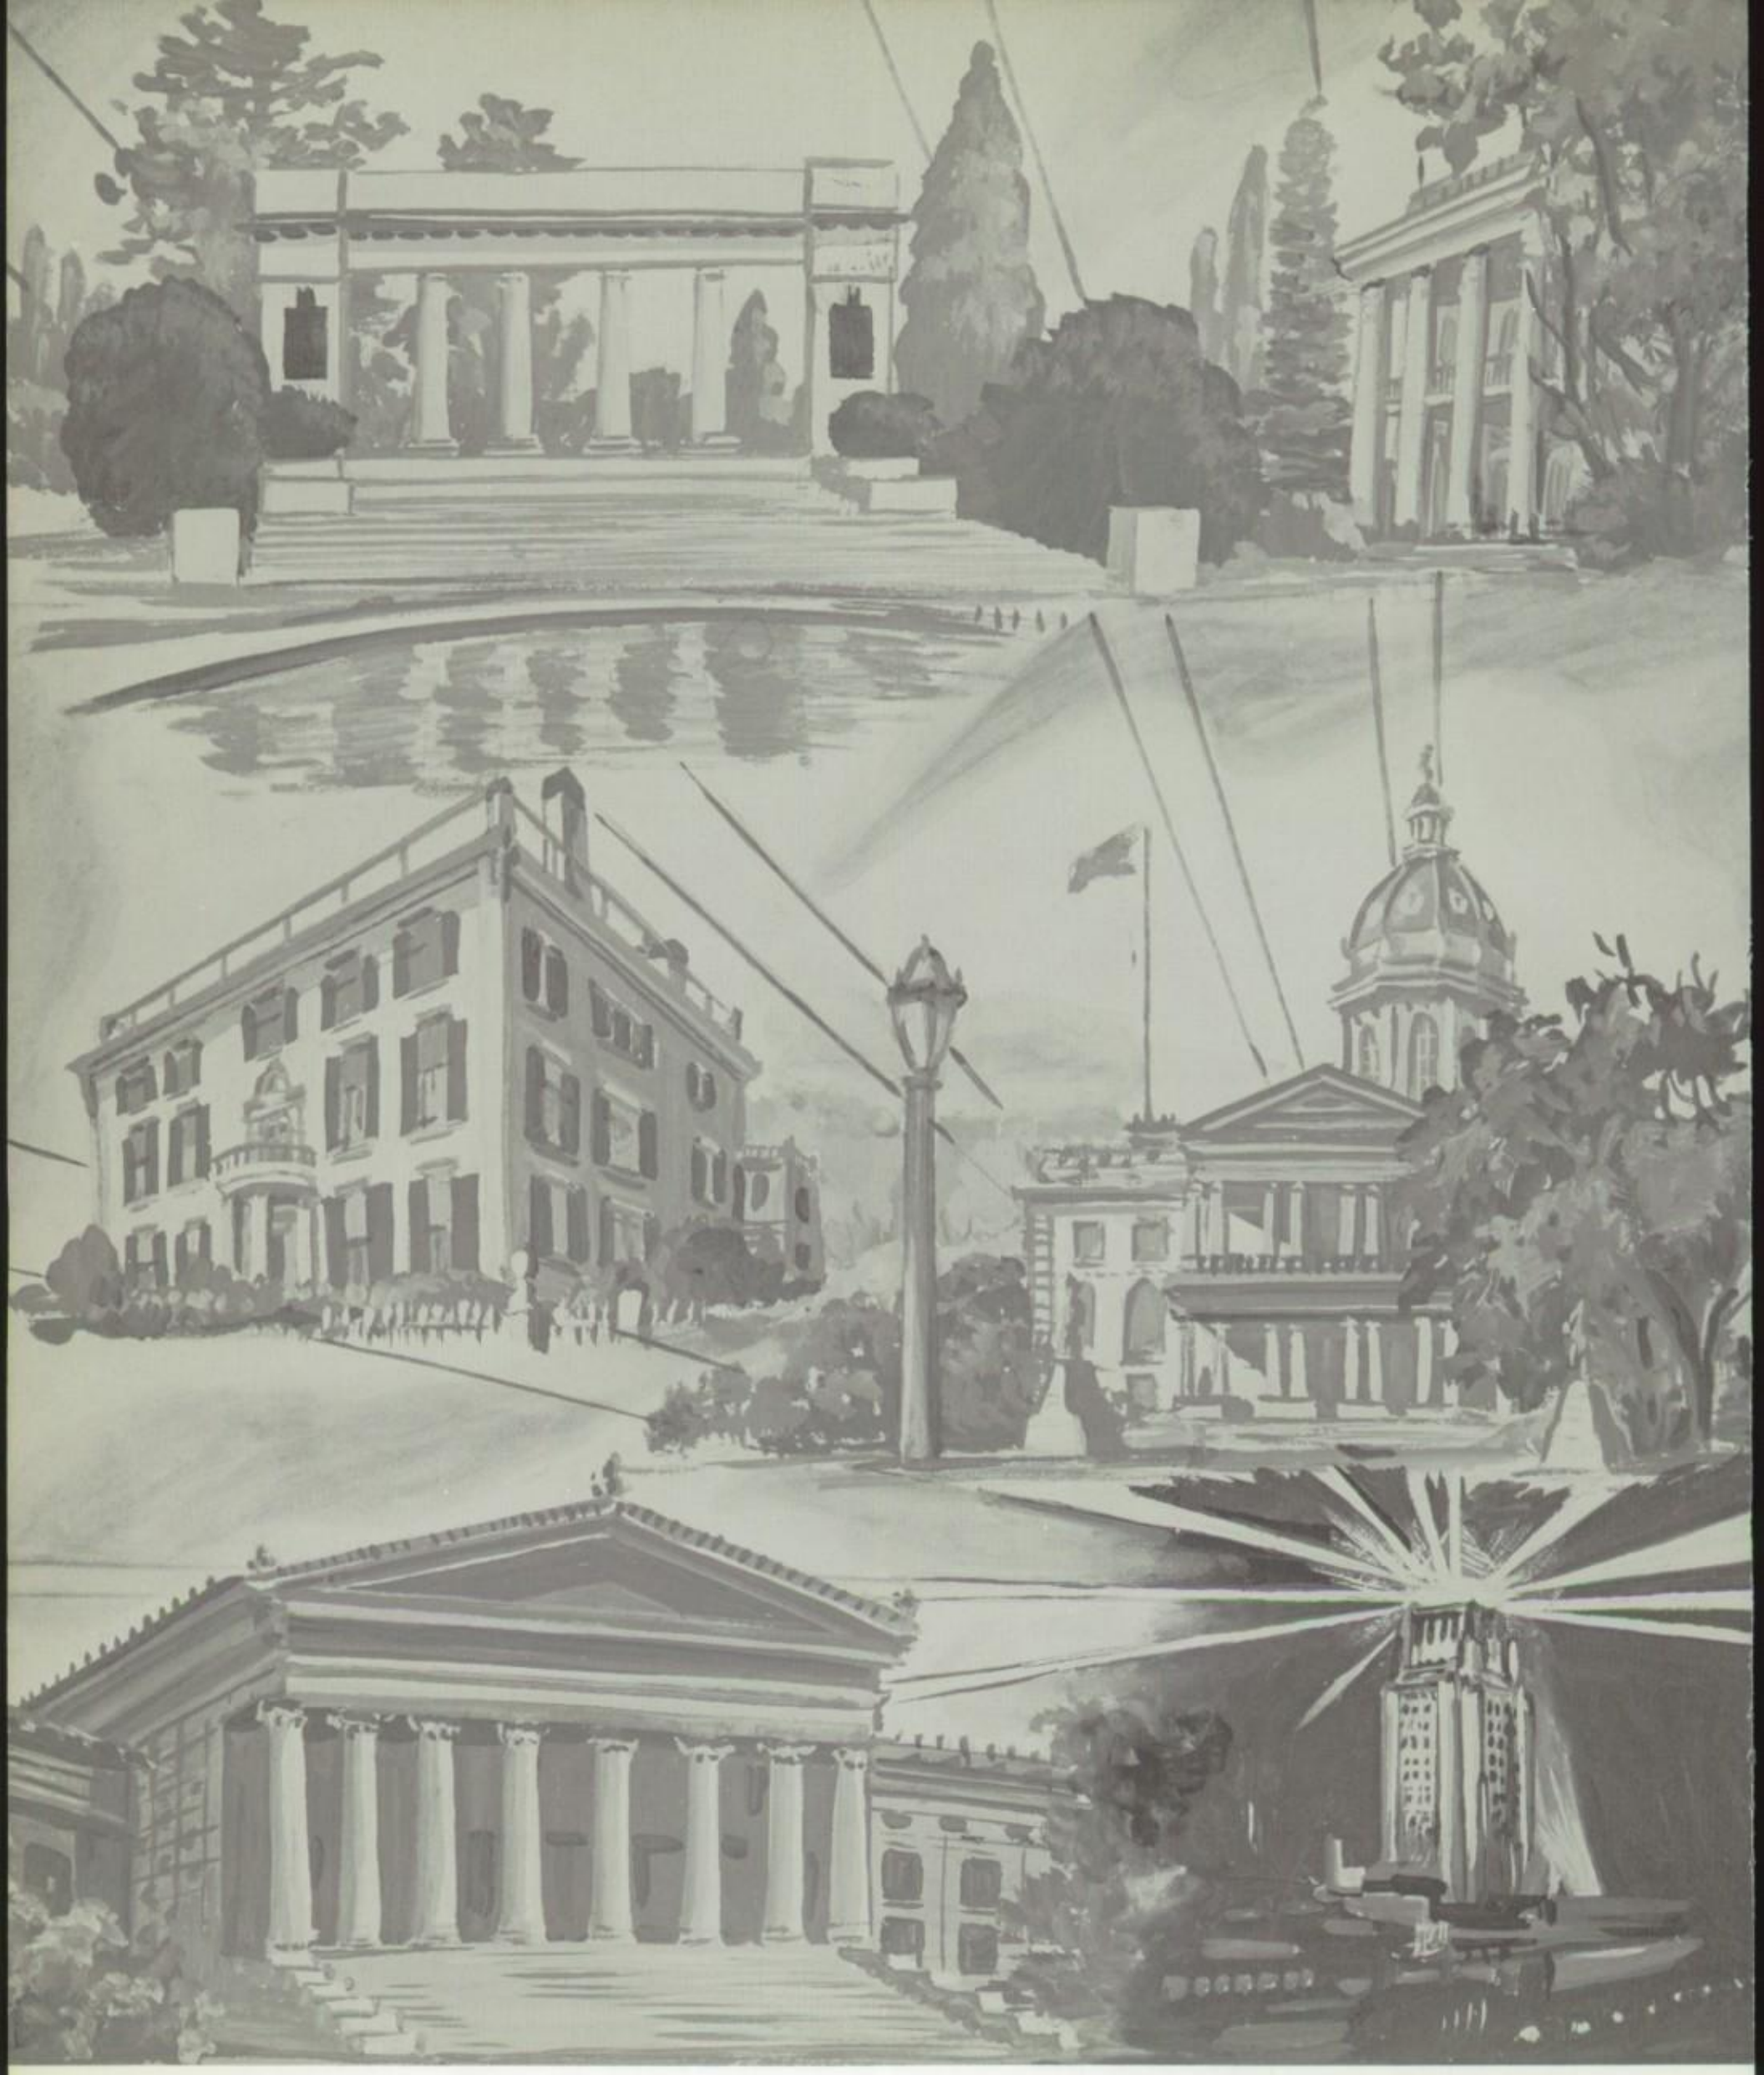


reached out to cultivate the fertile South and to tame the wild West.



An era of Manifest Destiny brought about a new westward expansion . . .

while the East was developing its potential of shipping and industry . . .



and history was being made at sites now revered by all.

We at Las Cruces High School, with this noble heritage to mold us, prepare to take our place in this complex universe and to leave for our posterity a heritage just as proud.

ACTIVITIES

DEAR DIARY:

CLASSES, assemblies, dances, games—the year started off with a bang! The new Seniors got the seat of honor in the gym for football assemblies, while the Sophomores and Juniors tried to out-yell them.

After the excitement of the first week wore off, and real work began, things began to settle down a bit. It took a while for us to get used to the new class schedule with its three lunch hours, no homeroom, and only five minutes between classes. But—consolation—classes dismiss forty-five minutes earlier than last year.

After our first home game, with Carlsbad (we won!) the Student Council sponsored a Howdy Dance, at the school cafeteria.

HERE, the sophomores were welcomed and everyone got acquainted. Later in the month GAA sponsored another dance after a victorious game with El Paso.

The United States Air Force Band presented one of our most enjoyable assemblies on the afternoon of Tuesday, September twenty-ninth.

Latin Club had its traditional initiation, but we certainly missed seeing the Roman costumes this year.

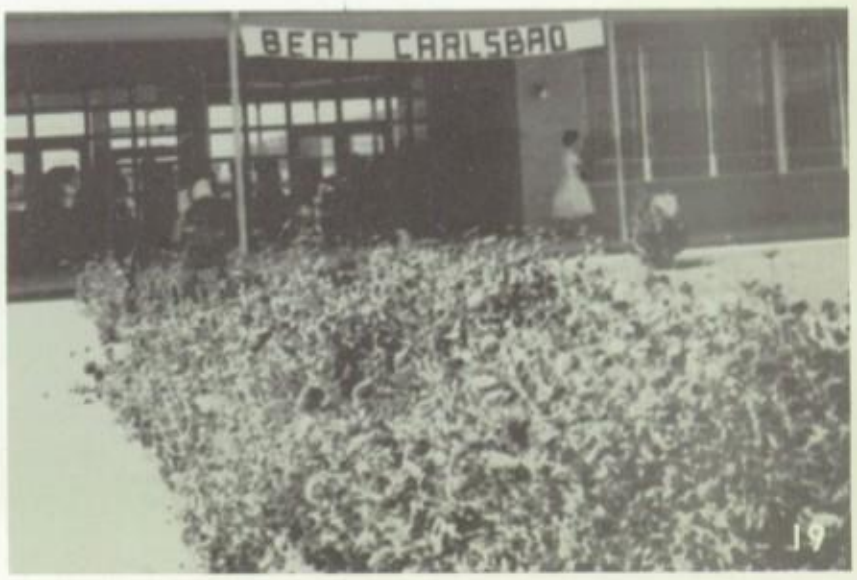
October proved to be a month full of activity and fun. Before we knew it, it was the end of the first six weeks, and to end it right, we beat Sandia High School in the closest game all season. After the game Masque and Gavel sponsored a dance. FTA sponsored the next dance, following a victorious home game with Santa Fe.

Everyone looked forward to the Teachers' Convention held in Albuquerque, giving us a four day weekend. During this holiday we attempted to paint the "C" on Picacho Peak (better luck next year, gang).

AND then the big weekend arrived! Sophomores, Juniors, Seniors, and teachers were all getting ready for Homecoming. The Bonfire and Pep Rally the night before was rained out, but it didn't damage our spirit in the least. The kids had a real blast working on floats, and their work proved to be worth-while. The Homecoming parade was a big success, on a day with a sunny sky and a light wind. To put the lid on a wonderful Homecoming, the Bulldogs were victorious over Albuquerque High, and the dance after the game had one of the best turnouts all year.

The Pan American Club held a style show during the month of October. Members modeled the colorful costumes of South and Central American countries.

New members were initiated into two of the honorary clubs of L.C.H.S. Masque and Gavel held their initiation at Anne Drogemueller's house. La Posta was the setting for a banquet honoring old and new members of the Honor Society.



After our home game with Farmington, Pep Club sponsored a dance. As always everyone had a good time, especially since we won the game.

"The Great Big Doorstep," Senior play this year, proved to be a hilarious production. Orchids to the cast and crew for a job well done.

On Thanksgiving day, everyone at Las Cruces High really had something to be thankful for. Our own bulldogs were victorious over the Artesia Bulldogs to take the state championship by a score of 31-7.

At school we celebrated the championship with a victory assembly. While students cheered for their heroes and ate ice cream bars, we listened to Mr. Ed Gutierrez, Mr. Miller, five wonderful coaches, and Barbara Hubbard.

Student council was busy as usual with school activities.

December saw the start of the basketball season, with the Bulldogs defending their Class A Basketball championship.

Mr. Randall and the Las Cruces High School Band presented their annual concert on Thursday, December third. They first presented their program to an appreciative student audience in the afternoon, and gave another performance that night.

Excitement ran high during elections for the court of the Christmas Formal. When the ballots were tallied, Patsy Johnson and Gary Ness received the crowns for king and queen. Attending them, as Duke and Duchess were Pat McClernon

and Donna Davis. Senior prince and princess were Bill Myers and Dorothy Ludwig. Representing the Junior class were Doug Minchew and Carmen Mestas. Dick Ness and Karen Taylor were the Sophomore prince and princess. The Senior class, sponsor of the dance, decorated the cafeteria to the theme "Santa's Palace," with a huge red sled dominating the scene.

Later in the month we enjoyed another musical assembly when the Orchestra and Chorus gave us a preview of their Christmas concert. Then—CHRISTMAS VACATION!!!

the end of the first semester. This year we took our exams on a new schedule. It gave teachers more time to prepare and grade tests, and it gave students more time to study. (?)

Student Council sponsored two assemblies during the month of January. In the first assembly, Mrs. Hubbard was presented with an award from Student Council, and a plaque from "C" Club, both for her support of our sports. The second assembly was to encourage students to attend the basketball games. Charlie Johnson, athlete from NMSU, spoke to us on the importance of studies and their relation to school activities.

As always, we were a little sentimental watching the old year go out, but we looked forward to the year coming in. After our New Year's holiday, we all returned to studies, buddies, and ever popular activities.

Our first four basketball games were home games with Jefferson, Valley, Highlands, and Cathedral. During January we also met Cobre, Alamo, and Deming.

Students in the music department took part in the annual All-State Music Clinic on January 23, 28, and 30.

With the end of the third six weeks came, naturally,

Games, assemblies, dances, plays, music festivals, and countless other activities appeared on the calendar for February, March, April, and May.

Our last basketball game was played in the month of February with Gadsden, and the last out of town game with Silver City.

FFA held their annual banquet to honor their chosen Sweetheart for the '59-'60 school year, Eula Fern McElyea.

Masque and Gavel presented an excellent display of talent in their annual talent show.

On the twenty-sixth of February, we had a sweetheart dance. This was to honor Bulldog Sweetheart, Cherie Williams.

Twirp Week, sponsored by the Art Club, began March seventh. Girls tagged their boy friends, and footed the bills for the entire week and for the Twirp Dance.

The annual Science Fair was held at the High School during March. Brilliant displays of knowledge and ingenuity were shown.

"Babes in Toyland," an operetta presented by the chorus, was held in March, with a capacity audience attending.

The month of April Showers began with the P.E. Circus, sponsored by Miss Pauline Whitel. "Annie Get Your Gun," a comedy, was presented as the Junior Class play, under the direction of Mrs. Francis Rhome.

On Saturday, the twenty-third of April, we attended the biggest activity of the year, the Junior-Senior Prom. The theme this year was "Fantasy Land." The court included: Queen, Gayle Romney; Karen Fowler, Deanne Romney, and Marcy Myers.

On May second, outstanding students of LCHS were awarded various honors at the annual Honor Night. Baccalaureate services were the twenty-ninth, Senior Class night the thirty-first, and Commencement was held on June second.

Good Luck, Seniors!

PAINTING THE "C"

Forever on the pages
of Las Cruces history,
Is the day the high school students
attempted to paint the "C."

So don't look for the "C" on C Mountain
'cause you won't see it there:
Except for a faded signet
The face of the mountain is bare.

The escapade was organized—and—
quite needless to say,
The water, the white wash and workers
were well on the way.

So don't look for the "C" on C Mountain
'cause you won't see it there:
Except for a faded signet
The face of the mountain is bare.

But the jeep they were in did tumble
and fell in a ditch with its load,
And wouldn't you know that nothing was spared,
and the white wash stained the road.

So don't look for the "C" on C Mountain
'cause you won't see it there:
Except for a faded signet
The face of the mountain is bare.

The whitewash they needed was still in a ditch
the students could hardly believe it,
But the tractors and trucks and the boys below,
had done all they could to retrieve it.

So don't look for the "C" on C Mountain
'cause you won't see it there:
Except for a faded signet
The face of the mountain is bare.

So they wandered down the mountain,
Sophomores, Juniors, Seniors alike,
All of them tired and grumbling
of the fruitless and tiring hike.

We hope in the near future,
that the painting of the "C" is done,
Perhaps the luck will be better
in nineteen-sixty-one.

So don't look for the "C" on C Mountain
'cause you won't see it there:
Except for a faded signet
The face of the mountain is bare.

"C" MOUNTAIN WINS . . . AGAIN!!

"Brrr, it's cold!" said Queen Gloria at her half-time coronation.

Pulchritudinous court pleases public.

COMING

Queen Gloria reigned over the 1959 Homecoming festivities and even though the kickoff bonfire and snake dance were rained out, spirits were still high for the parade and game the following day.

"Melody Lane," the theme of the parade, inspired many original and beautiful floats. The Junior Class float, "Tiptoe Through the Tulips," featuring a large Dutch windmill and a field of many-hued tulips, won the Sweepstakes award. First place was taken by the Sophomore Class float, "Alexander's Rag Time Band." "Aladdin's Lamp," the Senior float, was awarded second prize.

Capping the homecoming, the LCHS Bulldogs defeated the Albuquerque High Bulldogs by a score of 39 to 0. At halftime Queen Gloria was crowned and presented with a bouquet of roses. The Senior princess, Carol Rollins, the Junior princess, Dianne Haley, and the Sophomore princess, Mary Helen Torres, were presented corsages.

"Moonglow" was the theme of the Homecoming dance held at the cafeteria after the game. It was sponsored and decorated by the Student Council.

SENIOR PLAY

"The Great Big Doorstep," the story of a French family in the Louisiana marshes, was presented by the Senior Class to a capacity crowd at Alameda Auditorium. The play was directed by Mrs. Rhome with the able assistance of Carolyn Moss, Student Director.

Bob Long, and Cherie Summers gave professional performances in the starring roles of Commodore and Mrs. Crochet. They were supported by Gloria Lara, Dedie Harry, Lee Smith and Jim Heathman.

The abilities of the make-up department made Ann Henry and Trudy Torres look remarkably like twins for their roles of Fleece and Elna Crochet.

Also included in the cast were Margie Hall, Garry Gilman, Jesus Tirre, and Patsy Johnson.

Music was provided between acts by the Las Cruces High orchestra.

V. Davis, Artesia Principal presents championship trophy

On Thanksgiving day, for the first time in LCHS history the Bulldogs won the District 1-AA state championship, handing the Artesia Bulldogs a 31-7 defeat. The largest crowd ever to witness a football game in Memorial Stadium cheered the Dawgs to victory.

Immediately following the game, Artesia principal Verlon Davis presented the state championship trophy to co-captains James Singleton, and Don Rierson. Luitt K. Miller, Cruces principal, presented the second place trophy to co-captains of the Artesia team.

SCIENCE FAIR

A traditional yearly activity at Las Cruces High School is the science fair. On March 15, 1959, Mr. William Porter, instructor, was in charge of the local science fair. Contributing experiments to the fair were students from grade schools through high school and the ability demonstrated by LCHS students proved to be outstanding.

Winners of this local fair were: Paul Harrison, Susan Taylor and Carolyn Scott, Andy Todson, Vicki Jackson, Donald Jones, Kit Anderson, Juanita France and Charlene Hume, James Post, James Sorrell, and Allan Maughan.

What then is the spirit of our school? I cannot define it; I can only tell you my own faith. The spirit of our school is the spirit which is not too sure that it is right; the spirit of our school is the spirit which seeks to understand the minds of other students; the spirit of our school is the spirit which weighs its interests alongside others without bias; the spirit of our school remembers that not even a sparrow falls to earth unheeded. The spirit of our school is the spirit of those who went before us and left a heritage of which we can be justly proud. And now in that spirit of LCHS which has never been and which will never be destroyed, we acknowledge our faith in the glorious destiny of Las Cruces High School.

FINE ARTS DEPT. TRAINS STUDENTS IN ALL PLASTIC MEDIA

"Man, even at his proudest moment, is a puny and helpless creature when he compares himself to the gods. For the gods speak unto him through creation. Man tries to answer, he tries to vindicate himself, and that answer, that vindication, is what we call art." This quote from Hendrik Van Loon's book, *The Arts*, might be said to state the purpose of the Fine Arts Club at LCHS. The members of this club stimulate awareness in all the seven fine arts.

They travel to see art exhibits, and often have guest speakers at their meetings. The Art Club sponsors Twirp Week with the Student Council in early spring.

D-E STUDENTS EARN WHILE LEARNING

Distributive Education Banquet

December, 1959

Distributive Education is a cooperative work-study program between schools and business for qualified high school students. This course includes preparation for careers in distributive occupations such as buying, selling, merchandising, retailing, advertising, personnel management, record keeping, and wholesaling.

Developing personalities for business, business English and mathematics, advertising and display are some of the various skills and techniques taught in the classroom.

This cooperative program provides many advantages to the students. It develops personality and salable skills, provides opportunity to earn while learning, allows school credit for graduation, and often leads to full time employment.

The Las Cruces High School Library Club, under the direction of Librarian Harley Ridgeway, controls the checking of books, stocking of shelves, and other customer services. In addition, the Library Club also rebinds damaged books, makes books ready for shelving, and takes care of multitudinous clerical jobs that surround an efficiently run library.

This year, the Library Club had two dinners at La Posta Restaurant.

Fast pencil and quick hand-characteristics of the secretary, the right hand girl of a busy executive. The Steno's the Post Scripts, the Vincers, the Play Girls, the Speed Queens—from these groups of the shorthand club at LCHS come the secretaries of tomorrow. Every student who takes shorthand belongs to one of the groups, each of which has its own name and officers. One of their projects is the selling of mums at Homecoming. Mrs. Bell is the sponsor of this club.

ENSEMBLE

This year the ensemble consisted of five outstanding members of the high school orchestra. These distinguished students are: Wayne Roederer, first violinist; Ann Hill, second violinist; David Seibel, third violinist; Gayle Romney, cellist; and Carol Rollins, pianist. They were directed by Bill Cramer.

ALL-STATE ORCHESTRA

Representing Las Cruces High School in all-state competition at Albuquerque, were seventeen members of the orchestra.

SEATED, from left to right: Dianne Gilman, Gayle Romney.

STANDING, FIRST ROW: Robin Hayner, Susan Cramer, Ann Hille, Eileen Wagner, Mary Better, Pat Morgan, Donna Zickafoose, Dianne Haley, James Post, Jake Perea, David Seibel, Wayne Roederer, Robert Clark, Charles Branning, Darrel Randall.

These are the members of the F.F.A. prize-winning soil judging team. They are shown receiving a check to attend the national soil judging contest in Oklahoma City. From left to right: Harold McCaw; Phillip Stoes; Jimmy MaCaw; Wesley Danley; and Mr. Rupert Mansell, sponsor.

F.F.A.

The F.F.A. emblem: the owl is wisdom and knowledge; the plow is labor and tillage of the soil; the rising sun is emblematic of the new day; the corn represents common agricultural interests; and the eagle is indicative of the national scope of F.F.A.

STATE FARMERS: Johnny Augustine and Topper Thorpe.

FUTURE FARMERS OF AMERICA

Sweetheart nominees: Linda Bridges; Susan Taylor; Janie Bridges; and Eula Fern McElyea.

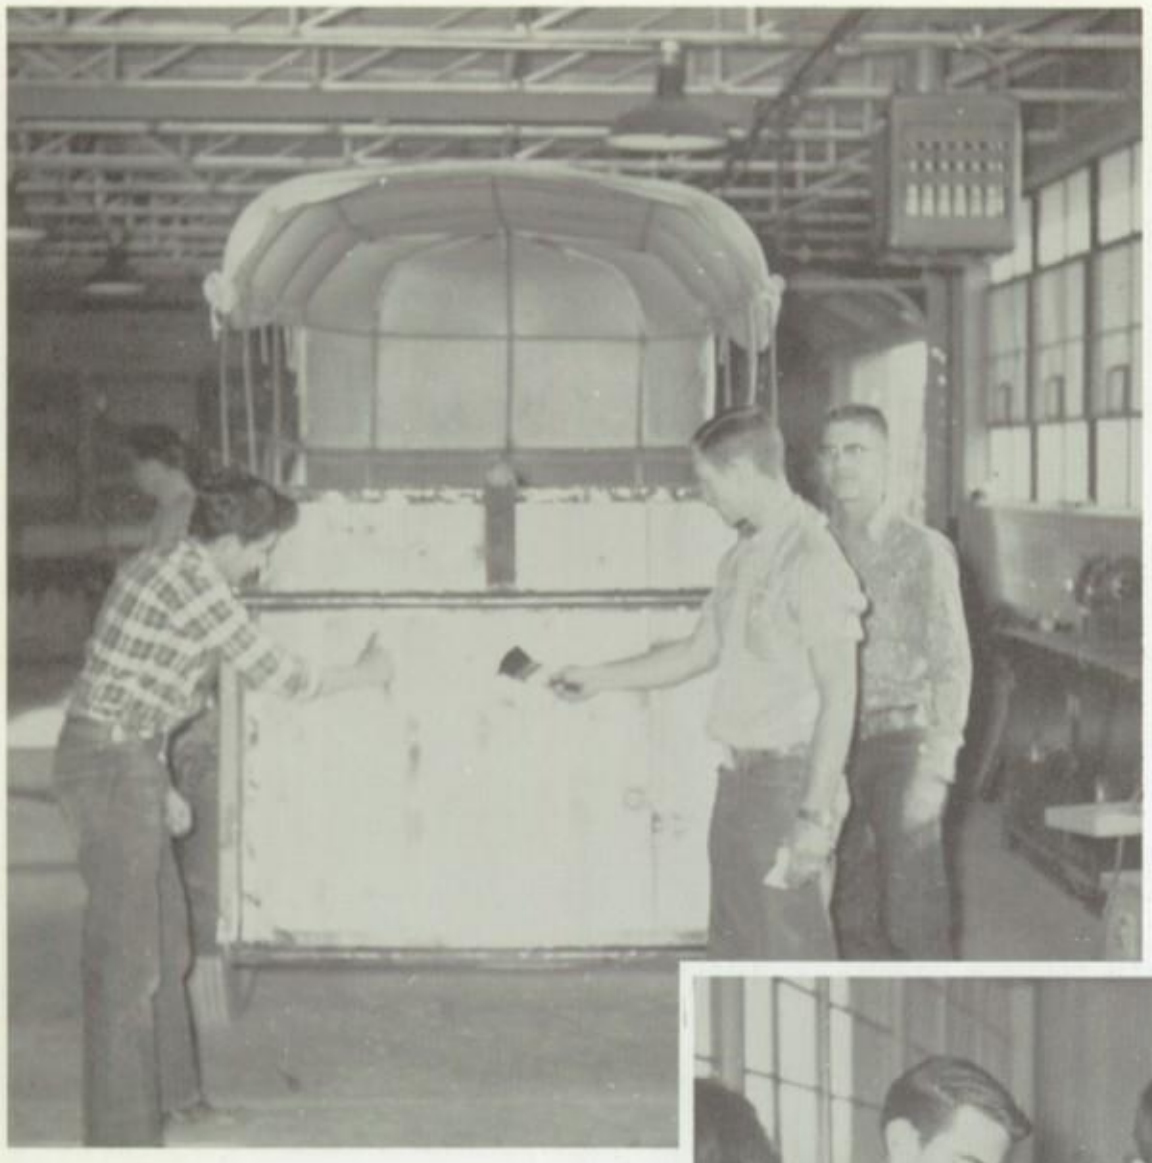
LEARNING TO DO
DOING TO LEARN
EARNING TO LIVE
LIVING TO SERVE

The primary aim of the Las Cruces High School Chapter of the F.F.A. is the development of agricultural leadership, cooperation, and citizenship. Under the direction of Rupert Mansell, Vocational Agriculture instructor, the Chapter stresses the development of competent, aggressive rural and agricultural leadership; the creation and nurturing of a love for country life; the strengthening of the confidence of farm boys and young men in themselves and in their work; the creation of interest in an intelligent choice of farming occupations, and the encouragement of the members in the development of individual farming programs and establishment in farming.

The Chapter also encourages the members to improve the farm home and its surroundings; to participate in worthy undertakings for the improvement of agriculture; the development of character, citizenship and patriotism.

The Las Cruces Chapter of F.F.A. is part of a national organization of and for boys studying vocational agriculture in the public secondary schools.

The Las Cruces Chapter of F.F.A. has a total of 62 members.



Left: Paul Provencio, Freeland Crowson, Johnny Augustine, rebuilding a horse trailer.

Lower right: Mark Moore, Lawson Chumbley, and Jim Murphy peeling onions for the enchillada supper.

Lower left: Charles Tharp surveying his farming enterprise.

Topper Thorpe, president; Freeland Crawson, treasurer; Jim Murphy, vice-president; Johnny Augustine, secretary; Steve Deerman, Mark Moore, Bryant Pitner, and Billy Waters.

OFFICE STAFF

Left to right: Susan Taylor, Ann Hille, Judy Armstrong, Lupe Rel.

During '59-'60, office workers were kept busy helping with attendance records, transcripts, grades and various odd jobs that are necessary to maintain an efficient school office. Office girls are voluntary workers and must maintain a "B" average. The girls, 38 in all, are governed by a strict code which requires such points as study when not working, no gossip on duty, good telephone manners, and prompt courteous help to all who ask for it. The staff works under the direction of Mrs. Wiley, Mrs. Dermody, Mr. Foltz, and Mr. Gill.

Left to right: Claudette Smith, Nancy Nichols, Pat McCarthy, Laverne Cleveland, Carol Rollins.

ENGLISH

In the complex society of today, man must be able to express himself in his speech and in his writing so that others may understand him clearly. The English Department at LCHS, realizing this, plans its course of study to give the student as thorough a back ground of the English language as possible. Upon completing this high school course, he is prepared for college English as well as the approaching professions of life. A look at a typical English class at LCHS would disclose studies in grammar, English and American literature, and composition. The coming classes of our high school will be required to complete four years of English so that they may benefit even more from their education.

For entertainment and relaxation the American people often turn to drama. In order to teach the fundamentals of this art, LCHS provides the Speech Arts I and II classes. The program of these classes includes the history of drama, production of plays, and various dramatic techniques.

FACULTY

ROW 1: Patricia Weiler, Jerry Williams

ROW 2: Frances Rhome, Gloria Shelley

ROW 3: Betty Fleming, James Carpenter

ROW 4: Joe Sanders, William Boykin

The most important means of communication between people of the world is speech. The Speech Arts III class is a vital part of the English Department. In this class, students learn how to improve their speech so that they may be able to deliver their thoughts and ideas effectively to others.

ROW 1: William Zellefrow, Evelyn Boushelle

ROW 2: Louise Hare, Sarah Martin

FOREIGN LANGUAGE

Las Cruces High School offers two courses in foreign language to students—Spanish and Latin. Students may take three years of Spanish and two of Latin.

Even though Latin is often referred to as being dead, it lives on as a foundation for many of our present-day languages. Latin terms are also used in medicine, science, and religion.

Spanish, next to English, is the most widely spoken language in the Southwest. The Spanish courses are very useful to students who live here and who will do business here.

ROW 3: Alfred Lujan, Martha Skaggs

ROW 4: Maria Spencer, Edith Welsheimer

SCIENCE

We at LCHS are proud of our science department. Ours is one of the best and most modern equipped departments in New Mexico. It offers students a basic knowledge of science in four different courses.

An introductory course for students just beginning a study of science is Applied Science. This gives the students a foundation for the more complex courses in high school.

Biology is defined as the study of life. Various aspects of biology taught during the year include botany, zoology, physiology, psychology, and genetics.

Laboratory work is essential in chemistry class. Many hours of studying the elements, their workings and how they combine in nature go along with this lab practice.

Those students who plan to go to college find that the physics course provides a basic preparation in advanced science for successful college work. This is a senior elective course.

The study of all these courses gives students an appreciation of what science is, what science can or cannot accomplish, and how scientists set about solving problems in science.

ROW 1: Barbara Lane, Barbara Hubbard

ROW 2: Rudy Camunez, Lloyd Cooper

ROW 3: John Nichols, William Porter

ROW 4: H. E. Alexander, Arthur Scott

BUSINESS EDUCATION

In acknowledging the various complex parts of the business world, LCHS offers a curriculum that will prepare students to enter that world after graduation. A Practical course of study is offered for all who want and need training in business practices. This course includes typing, shorthand, clerical training, bookkeeping, and office training.

ROW 1: Francine Bell, Roberta White

ROW 2: Johna Carlson, Gertrude Ledgerwood

ROW 3: James Peterson, Imogene Campbell

ROW 4: Alyce Blitch

HISTORY AND SOCIAL STUDIES

In order to have a better understanding of their future, students must have an adequate understanding of their past. This past is the history taught in schools today.

Offered in the LCHS history department is U. S. History. We in America live in a comfortable way and in a plentiful manner. U. S. History provides a definite knowledge of how this came about.

The world about us is most important. We should know the events going on, and understand what causes them. World history classes have this goal in mind.

The government classes give the student an understanding of our government and how it operates.

Also included in the history department curriculum are Family Living and Sociology. These courses give the student a realization of the world he lives in, and his part in it.

ROW 1: John Wooden, Ethel Baker

ROW 2: Neil Hardin, William Stocton

ROW 3: Orland Bulkeley, Raymond Van Pelt

ROW 4: William Parkman

ARTS AND CRAFTS

The Arts and Crafts department of LCHS is aimed at developing the talents of students interested in this subject. The crafts department offers such activities as leather crafts, and metal work.

The art classes offer all the fine arts; oil painting, sculpture, mosaic, and bas-relief. Commercial art is also taught in this department.

ROW 1: George Gray, Robert Noll

MATH

To fulfill their two year math requirement for graduation, students of LCHS are offered various math courses.

General mathematics, for example, is aimed in giving the student a working background of math for home, shop, and industry.

The habits of logical thinking is one of the most important aspects gained in the course of Plane Geometry.

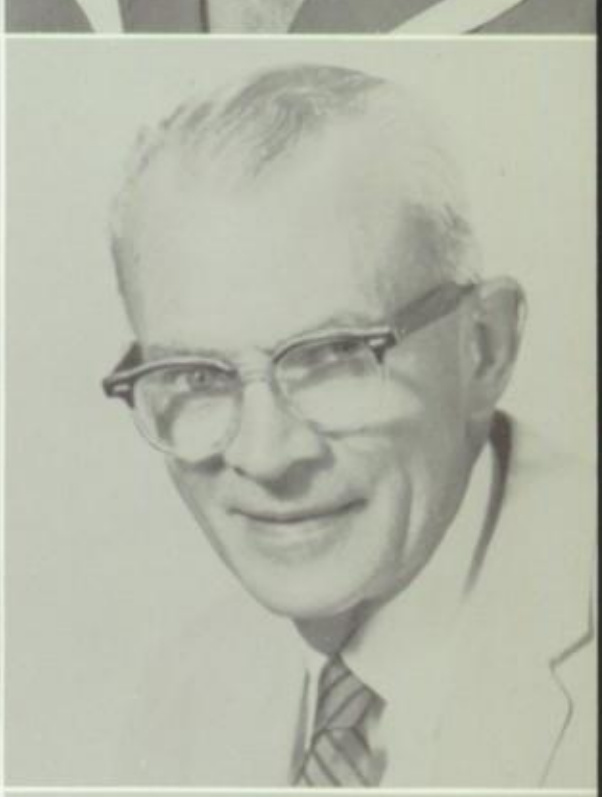
The basis of all higher mathematics is acquired in the Algebra I and II classes. Here students are taught the fundamental concepts of numbers which are necessary in preparation of a true liberal arts background.

Solid geometry, trigonometry, and calculus are all a part of senior math.

ROW 2: Helen Rooker, Lela Carwardine

ROW 3: Louis Henson, Ralph McCrary

ROW 4: William Jones, Martha Berleman



PHY. ED.

Physical Education is required during the freshman and sophomore years, but students often take the course after these two years.

Baseball, volleyball, archery, swimming, and corrective exercises are only a few of the things taught in the girls' P.E. Department. These girls' classes also offer tumbling, bowling, and a first aid course.

In boys' classes, calesthenics, football, weight-lifting, and track are activities offered to aid in keeping physically fit.

Each class learns not only the fundamentals of all these games and sports, but also good teamwork and sportsmanship.

ROW 1: Mary Smith, Pauline White

ROW 2: Woodrow Jackson, James Bradley

I. AND V. EDUCATION

Architects, mechanics, draftsmen, farmers—all come from the doors of the Industrial and Vocational Education department at LCHS.

For the student who desires to go into a career of drafting, courses in general drafting, machine drawing, and architectural drawing are offered.

Mechanics is another field taught in this department. General auto mechanics, a class room course, is often taken as a prerequisite to Vocational auto mechanics, taught by actual experience in the shop.

ROW 3: Rupert Mansell, Gerald Keeton

ROW 4: Willis Holmburg, Joe Miller

VOCATIONAL EDUCATION

The Homemaking Department of LCHS offers opportunities for the development of pupil initiative in planning and carrying out activities related to homemaking.

Four years of Home Economics is available to all girls at LCHS. During these four years they learn the basic principles of sewing, interior decoration, and family living. Nutrition, meal planning, and balanced diets are also studied.

The Home Economics wing is equipped with complete kitchen facilities and a sewing room.

All in all, the girls in the homemaking classes learn the essentials in becoming a good homemaker.

The importance of careful driving plus basic mechanics are stressed in the Driver's Education course. Pupils are given classroom instruction in driving and thirty hours of real experience in the departments two cars.

At the completion of the semester, students are tested for a New Mexico driver's license. These tests are given by the local police department.

SCHOOL OFFICE

The nerve center of Las Cruces High School is located in the attendance, registrars', guidance, library and nurses' offices.

The attendance office issues class admit slips and out of building passes. Records are kept there of each student's attendance, as required by state law.

Schedules and schedule changes are handled in the registrar's office. This office also has on file a complete record of every student attending Las Cruces High School and is responsible for the issuance of transcripts and records after a student graduates.

To inform, counsel, and instruct in both personal and educational problems are the duties of the guidance department. Not only does this department advise students concerning the high school curriculum, but it also helps students plan post high school careers, college or otherwise. College scholarships and entrance exams are also handled in this office.

The front office handles school correspondence and secretarial work at LCHS.

All health problems may be taken to the school nurses' office, where minor ailments are taken care of and recommendation made for care of major health problems.

The school library contains 8000 books and magazines, both for reference and enjoyable reading and serves as the research center of the school plant for both the student body and the faculty.

Mrs. Weiler,
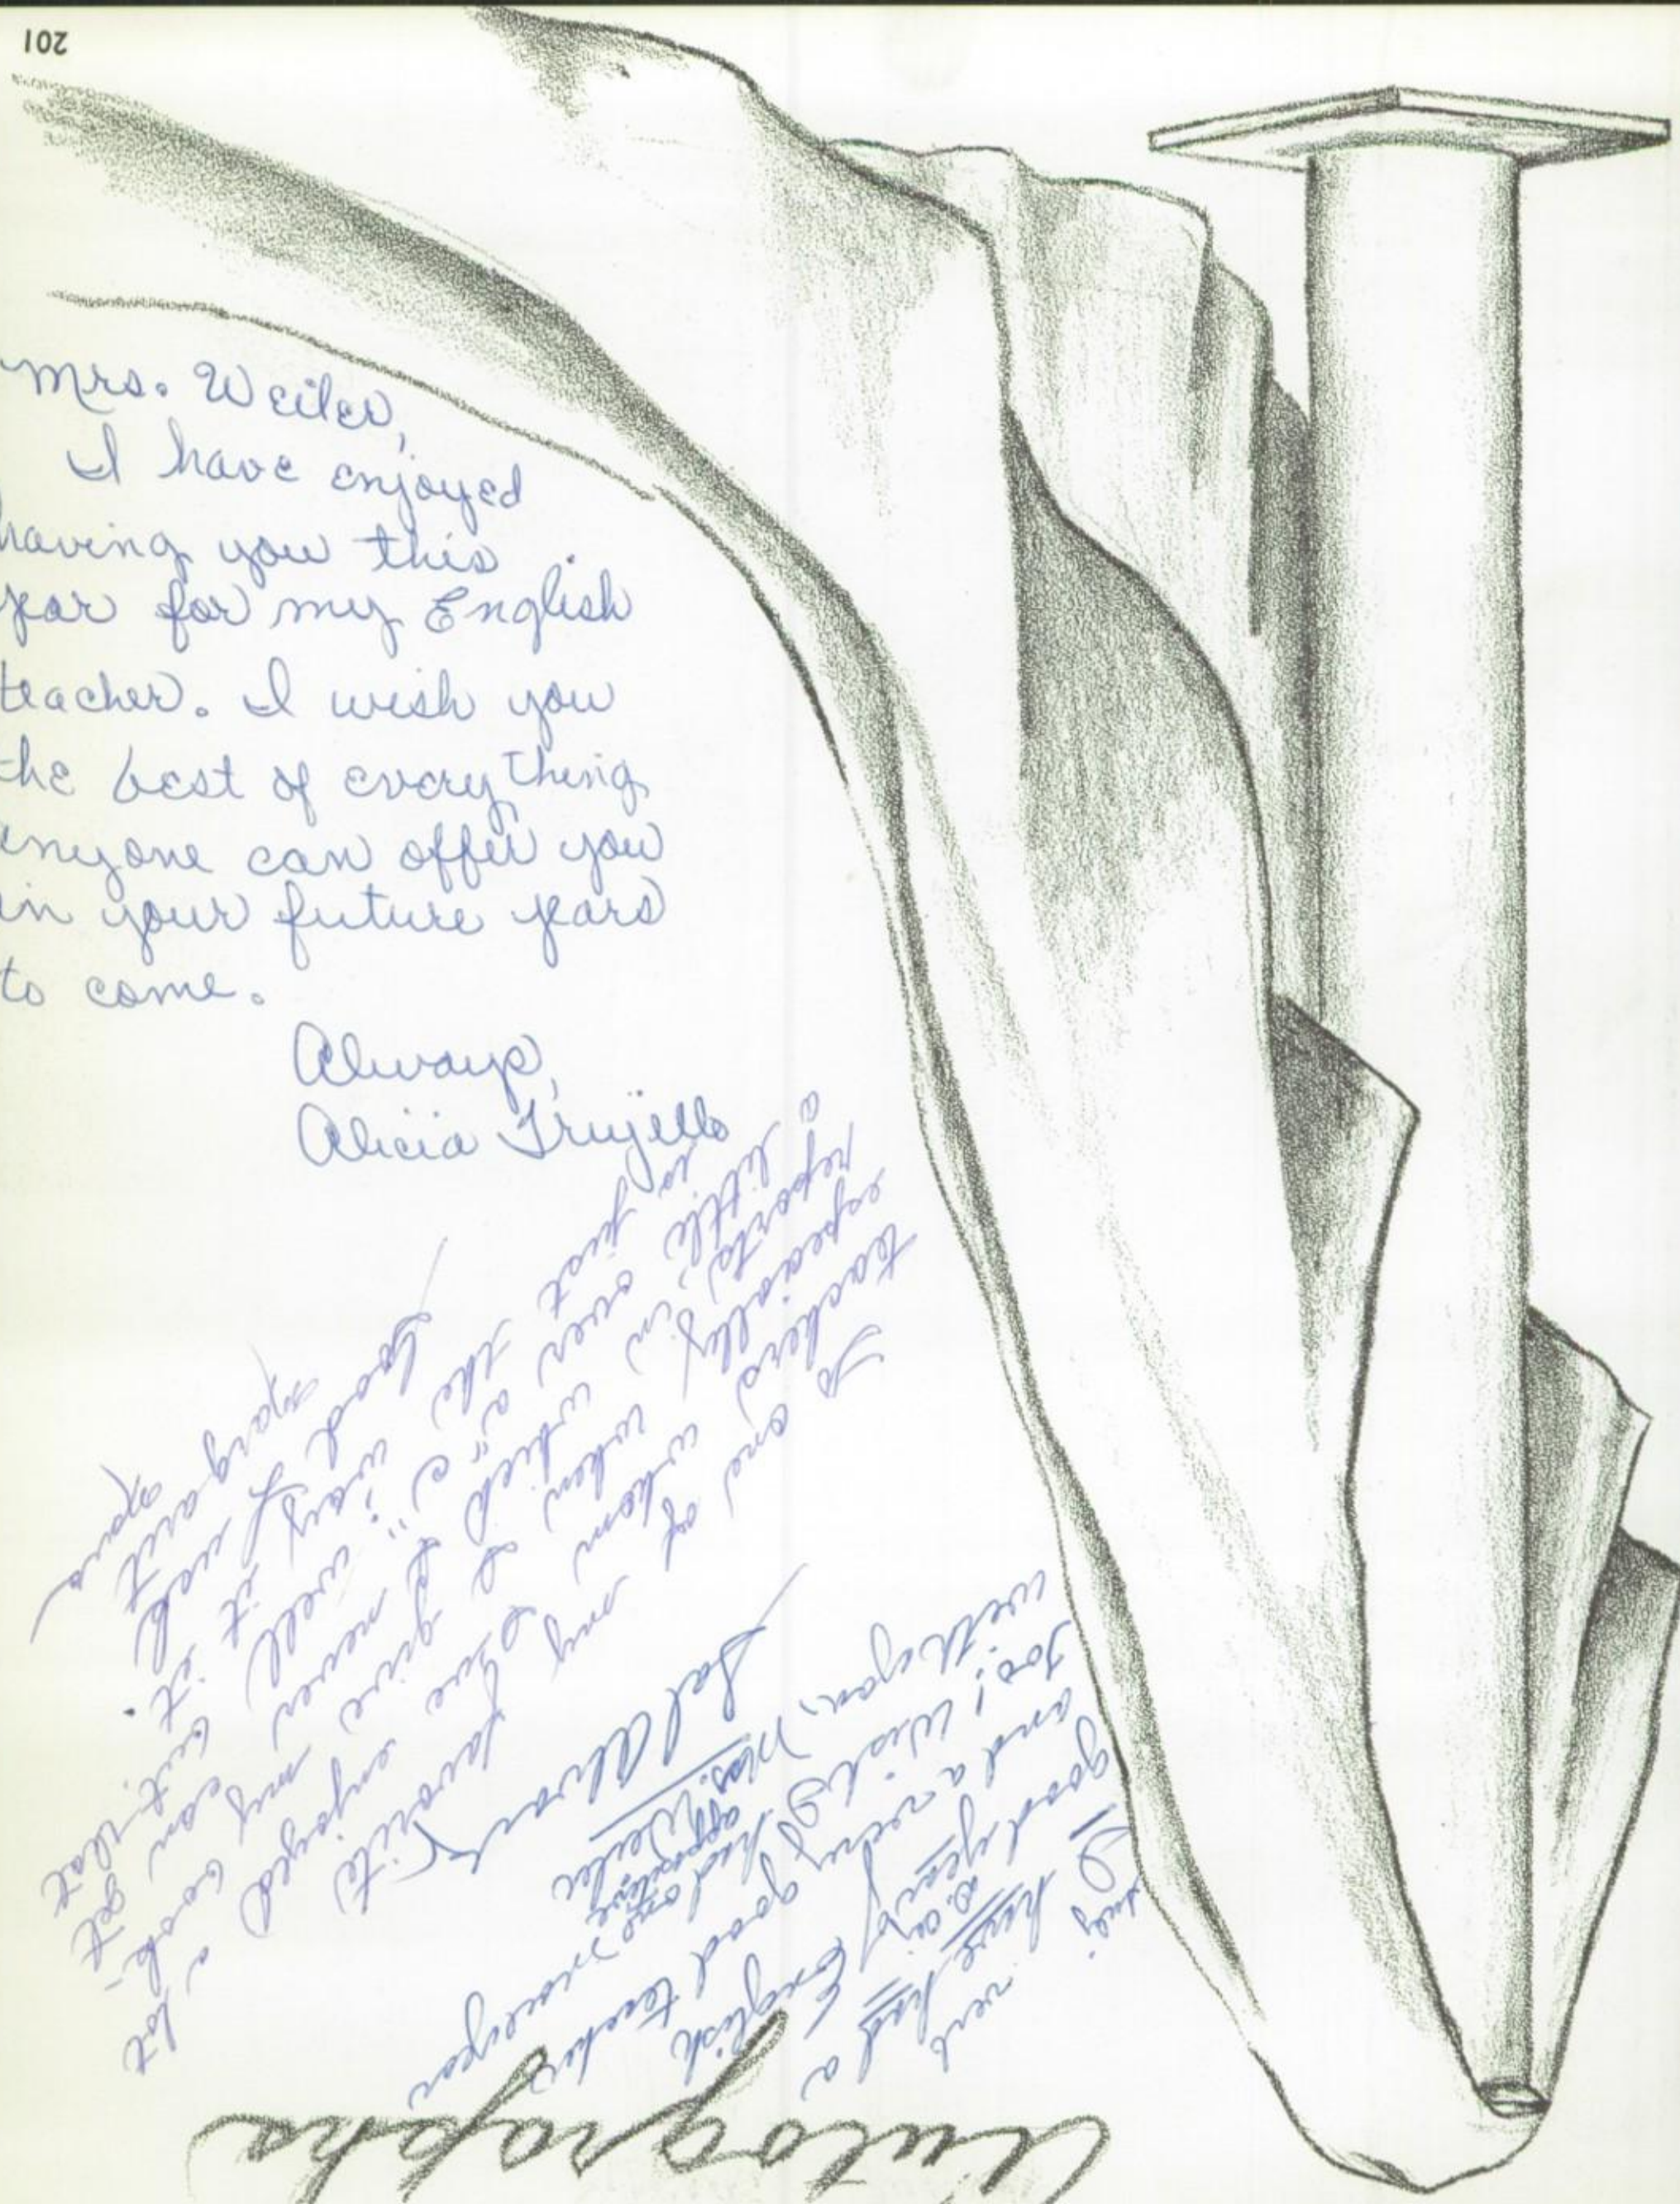
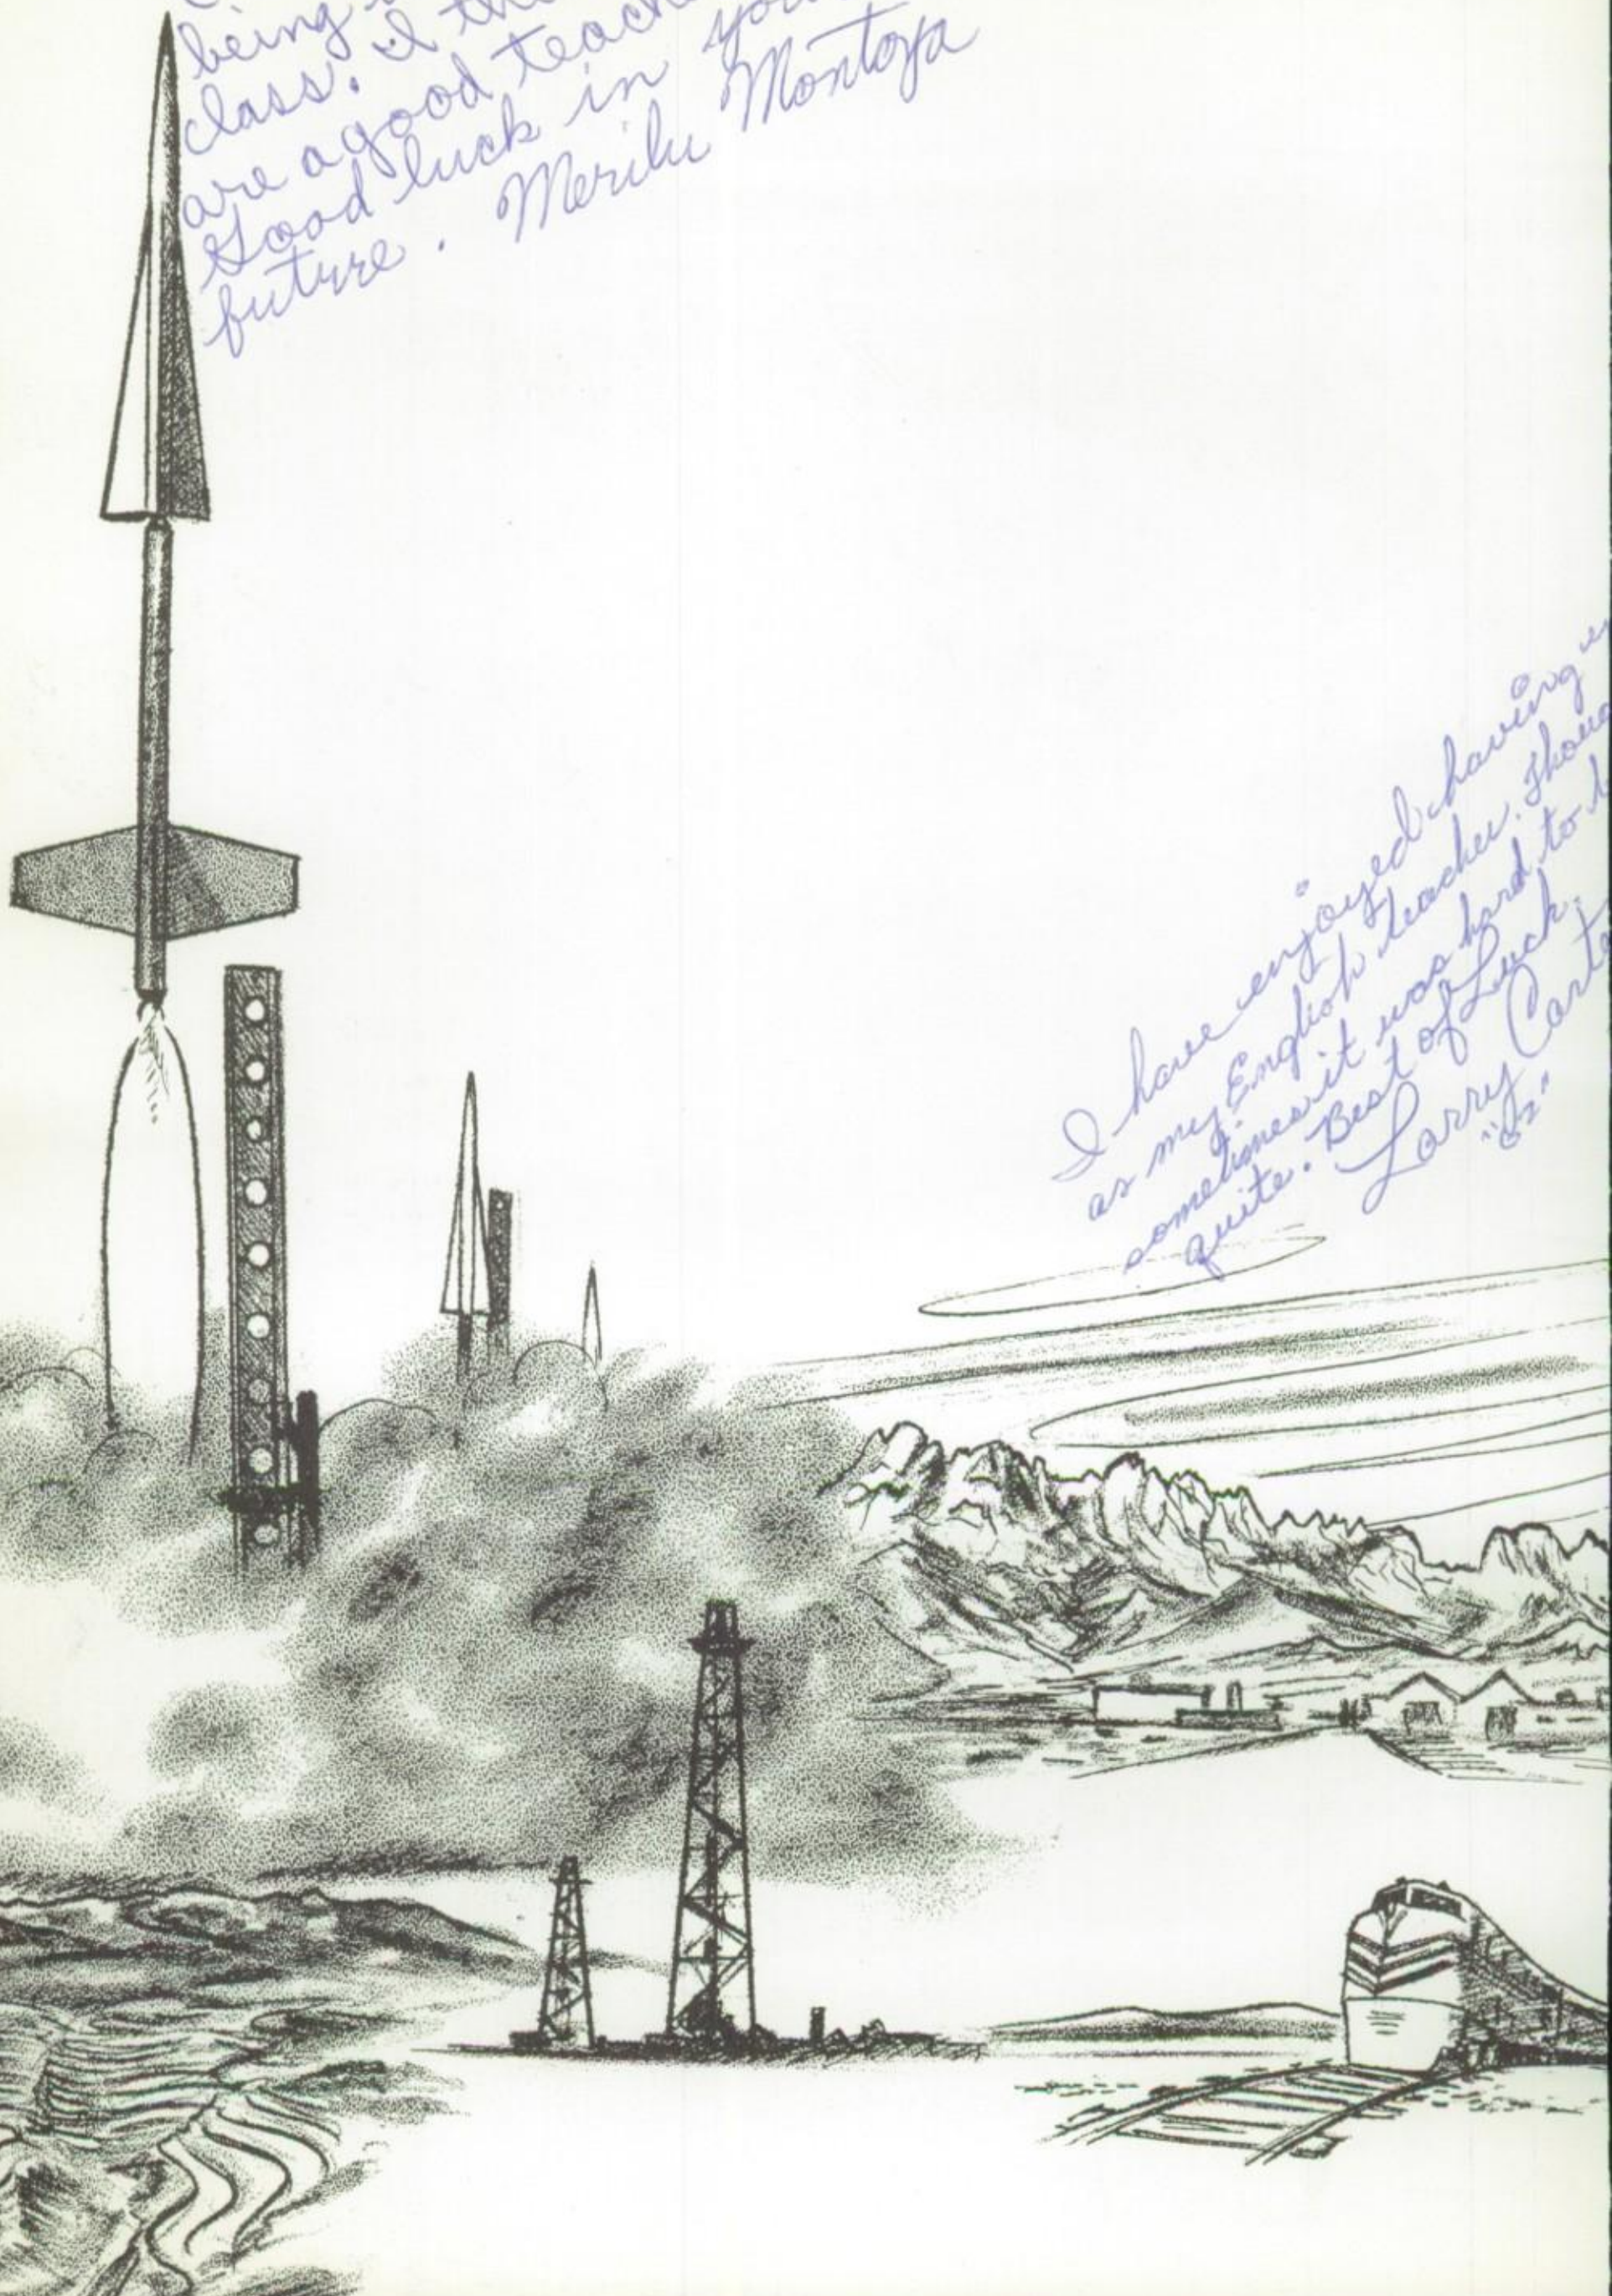
I have enjoyed having you this year for my English teacher. I wish you the best of everything anyone can offer you in your future years to come.

Always,
Alicia Trujillo



I have enjoyed being in your class. I think you are a good teacher. Good luck in your future. Meriki Montoya



I have enjoyed having you as my English teacher. I know it was hard to have sometimes but I had quite. Best of Luck. Carlos Larry "Jr"

Mrs. Weiler
I sure have enjoyed
having you for my English
teacher, even though you
sent me a couple of times to
the office.
Ruben Diaz

Advertising-

To a very
nice and
wonderful
teacher. I shure
have enjoyed having
you for my english
teacher. Best of luck
always

as ever,
Joe DiMatteo

P.S. excuse the spelling
and grammer.

Mrs. Weiler

I have enjoyed knowing and being in your class in my sophomore year. I have really had fun in your class.

I still liked Silas Marner the best of all the short stories or any others in the book.

Good Luck Always and May God Bless you

To my favorit
English teacher, from
which I have learned more
this year than I have had so far.
English teacher I thank you for this and because
I want to thank you for understanding and love the patience
you are so understanding over and over until we get
the things. Another thing that makes your
personality nice personality
I saying I should think
them in our heads, teacher is because of your look so pretty in
such a nice beautiful smile and because your dress I will learn
and your chemis that you wear sometimes. the year from the kotton of my
that they would choose a teacher as this comes
one. If this is not just plenty of this day. it will learn
heart. to excuse me.

Another thing I have to
spell. Yours
always
Millie Wallace.

Mrs. Weller,
I have really
enjoyed being in
your class and I have
learned more from
you than from many other
teacher. Lots of luck
always & Best Wishes
Phyllis Reed '59-60'
Soph. - 6th per.

CROSSE

Best of luck always. Yours sincerely Alice Ghostley

Best of 60

Thank you for everything Bobby Short
